**NOTE 1. BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**DESCRIPTION OF THE BUSINESS**

Baker Hughes Holdings LLC, a Delaware limited liability company ("the Company", "BHH LLC", "we", "us", or "our") and the successor to Baker Hughes Incorporated ("BHI"), is an energy technology company with a diversified portfolio of technologies and services that span the energy and industrial value chain. BHH LLC is a Securities and Exchange Commission ("SEC") Registrant with separate filing requirements with the SEC and its separate financial information can be obtained from [www.sec.gov](http://www.sec.gov).

**BASIS OF PRESENTATION**

The accompanying unaudited condensed consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S." and such principles, "U.S. GAAP") and pursuant to the rules and regulations of the SEC for interim financial information. Accordingly, certain information and disclosures normally included in our annual financial statements have been condensed or omitted. Therefore, these unaudited condensed consolidated financial statements should be read in conjunction with our audited consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2022 (the "2022 Annual Report").

In the opinion of management, the condensed consolidated financial statements reflect all adjustments (consisting of normal recurring adjustments) considered necessary by management to fairly state our results of operations, financial position and cash flows of the Company and its subsidiaries for the periods presented and are not indicative of the results that may be expected for a full year. The Company's financial statements have been prepared on a consolidated basis. In the notes to the unaudited condensed consolidated financial statements, all dollar and common unit amounts in tabulations are in millions of dollars and units, respectively, unless otherwise indicated. Certain columns and rows in our financial statements and notes thereto may not add due to the use of rounded numbers.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Please refer to "Note 1. Basis of Presentation and Summary of Significant Accounting Policies," to our consolidated financial statements from our 2022 Annual Report for the discussion of our significant accounting policies.

**Supply Chain Finance Programs**

On January 1, 2023, we adopted Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. ASU 2022-04, Liabilities – Supplier Finance Programs (Subtopic 405-50): Disclosure of Supplier Finance Program Obligations, which enhances the transparency of supplier finance programs and requires certain disclosures for a buyer in a supplier finance program.

Under the supply chain finance ("SCF") programs, administered by a third party, our suppliers are given the opportunity to sell receivables from us to participating financial institutions at their sole discretion at a rate that leverages our credit rating and thus might be more beneficial to our suppliers. Our responsibility is limited to making payment on the terms originally negotiated with our supplier, regardless of whether the supplier sells its receivable to a financial institution. The range of payment terms we negotiate with our suppliers is consistent, irrespective of whether a supplier participates in the program.

| <b>Total debt</b>   | <b>\$ 6,693</b> | <b>\$ 6,658</b>   |

The estimated fair value of total debt at June 30, 2023 and December 31, 2022 was \$5,964 million and \$5,863 million, respectively. For a majority of our debt the fair value was determined using quoted period-end market prices. Where market prices are not available, we estimate fair values based on valuation methodologies using current market interest rate data adjusted for our non-performance risk.

We have a \$3 billion committed unsecured revolving credit facility ("the Credit Agreement") with commercial banks maturing in December 2024. In addition, we have a commercial paper program with authorization up to \$3 billion under which we may issue from time to time commercial paper with maturities of no more than 397 days. The Credit Agreement contains certain customary representations and warranties, certain customary affirmative covenants and certain customary negative covenants. Upon the occurrence of certain events of default, our obligations under the Credit Agreement may be accelerated. Such events of default include payment defaults to lenders under the Credit Agreement and other customary defaults. No such events of default have occurred. At June 30, 2023 and December 31, 2022, there were no borrowings under either the Credit Agreement or the commercial paper program.

Baker Hughes Co-Obligor, Inc. is a co-obligor, jointly and severally with BHH LLC on our long-term debt securities. This co-obligor is a 100%-owned finance subsidiary of BHH LLC that was incorporated for the sole purpose of serving as a corporate co-obligor of debt securities and has no assets or operations other than those related to its sole purpose. As of June 30, 2023, Baker Hughes Co-Obligor, Inc. is a co-obligor of certain debt securities totaling \$6,550 million.

**Baker Hughes Holdings LLC**  
**Notes to Unaudited Condensed Consolidated Financial Statements**

Certain Senior Notes contain covenants that restrict our ability to take certain actions, including, but not limited to, the creation of certain liens securing debt, the entry into certain sale-leaseback transactions, and engaging in certain merger, consolidation and asset sale transactions in excess of specified limits. At June 30, 2023, we were in compliance with all debt covenants.

**NOTE 9. INCOME TAXES**

For the three and six months ended June 30, 2023, the provision for income taxes was \$171 million and \$312 million, respectively. The difference between the U.S. statutory tax rate of 21% and the effective tax rate is primarily related to income in jurisdictions with tax rates higher than in the U.S., which is partially offset by tax benefits related to uncertain tax positions. Further, for the six months ended June 30, 2023, the tax rate is also partially reduced by income subject to U.S. tax at an effective rate less than 21% due to valuation allowances. In addition, since we are a partnership for U.S. federal tax purposes, any tax impacts associated with U.S. income or losses are recognized by our Members and not reflected in our tax expense.

For the three and six months ended June 30, 2022, the provision for income taxes was \$181 million and \$276 million, respectively. The difference between the U.S. statutory tax rate of 21% and the effective tax rate is primarily related to losses with no tax benefit due to valuation allowances, restructuring charges related to our Russia operations for which a majority has no tax benefit, and income in jurisdictions with tax rates higher than in the U.S.

**NOTE 10. MEMBERS' EQUITY**

**COMMON UNITS**

The BHH LLC Agreement provides that there is one class of common units ("Units") and the holders of the Units are referred to as Members. As of June 30, 2023 and December 31, 2022, all outstanding Units are held by Baker Hughes Company ("Baker Hughes") or one of its direct subsidiaries. If Baker Hughes issues a share of Class A common stock, including in connection with an equity incentive or similar plan, we will also issue a corresponding Unit to Baker Hughes or one of its direct subsidiaries. For the six months ended June 30, 2023 and 2022, we issued 6,696 thousand and 8,470 thousand Units, respectively, to Baker Hughes or one of its direct subsidiaries in connection with the issuance of its Class A common stock. The Members are entitled through their Units to receive distributions on an equal amount of any dividend paid by Baker Hughes to its Class A shareholders.

We have a Unit repurchase program which we expect to fund from cash generated from operations, and we expect to make Unit repurchases from time to time subject to the Company's capital plan, market conditions, and other factors, including regulatory restrictions. The repurchase program may be suspended or discontinued at any time and does not have a specified expiration date. During the three and six months ended June 30, 2023, we repurchased and canceled 3.6 million Units for \$99 million, representing an average price per Unit of \$27.66. During the three and six months ended June 30, 2022, we repurchased and canceled 6.7 million and 14.8 million Units for \$226 million and \$462 million, representing an average price per Unit of \$33.77 and \$31.13, respectively. As of June 30, 2023, we had authorization remaining to repurchase up to approximately \$2.7 billion of our Units.

<sup>(2)</sup> As of June 30, 2023, our non-U.S. debt securities are classified as available for sale securities and mature within one year.

As of June 30, 2023 and December 31, 2022, the balance of our equity securities with readily determinable fair values were \$1,044 million and \$748 million, respectively, and are comprised primarily of our investment in ADNOC Drilling and C3.ai, Inc., and are recorded in "All other current assets" in the condensed consolidated statements of financial position. We measured our investments to fair value based on quoted prices in active markets.

Gains (losses) recorded to earnings for our equity securities with readily determinable fair values were \$29 million and \$(123) million for the three months ended June 30, 2023 and 2022, respectively, and \$421 million and \$(111) million for the six months ended June 30, 2023 and 2022, respectively. **OTHER EQUITY INVESTMENTS**

As of June 30, 2023 and December 31, 2022, the carrying amount of equity securities without readily determinable fair values was \$143 million and \$60 million, respectively. During the second quarter of 2023, certain of these equity securities were remeasured to fair value as of the date that an observable transaction occurred. The remeasurement resulted in the Company recording a gain of \$118 million. Gains (losses) related to our equity

securities without readily determinable fair values are reported in "Other non-operating income (loss), net" in our condensed consolidated statements of income (loss).

**FAIR VALUE DISCLOSURE OF FINANCIAL INSTRUMENTS**

Our financial instruments include cash and cash equivalents, current receivables, certain investments, accounts payable, short and long-term debt, and derivative financial instruments. Except for long-term debt, the estimated fair value of these financial instruments as of June 30, 2023 and December 31, 2022 approximates their carrying value as reflected in our condensed consolidated financial statements. For further information on the fair value of our debt, see "Note 8. Debt."

**DERIVATIVES AND HEDGING**

We use derivatives to manage our risks and do not use derivatives for speculation. The table below summarizes the fair value of all derivatives, including hedging instruments and embedded derivatives.

Derivatives are classified in the condensed consolidated statements of financial position depending on their respective maturity date. As of June 30, 2023 and December 31, 2022, \$25 million and \$17 million of derivative assets are recorded in "All other current assets" and \$2 million and \$1 million are recorded in "All other assets" in the condensed consolidated statements of financial position, respectively. As of June 30, 2023 and December 31, 2022, \$7 million and \$17 million of derivative liabilities are recorded in "All other current liabilities" and \$66 million and \$69 million are recorded in "All other liabilities" in the condensed consolidated statements of financial position, respectively.

**FORMS OF HEDGING**

**Cash Flow Hedges**

We use cash flow hedging primarily to reduce or eliminate the effects of foreign exchange rate changes on purchase and sale contracts. Accordingly, the vast majority of our derivative activity in this category consists of currency exchange contracts. In addition, we are exposed to interest rate risk fluctuations in connection with long-term debt that we issue from time to time to fund our operations. During the six months ended June 30, 2023, the Company executed interest rate swap contracts designated as cash flow hedges with a notional amount of \$375 million in order to hedge the Company's expected exposure in connection with refinancing activities we may undertake in 2023. Changes in the fair value of cash flow hedges are recorded in a separate component of equity (referred to as "Accumulated Other Comprehensive Income" or "AOCI") and are recorded in earnings in the period in which the hedged transaction occurs. See "Note 10. Members' Equity" for further information on activity in AOCI for cash flow hedges. As of June 30, 2023 and December 31, 2022, the maximum term of derivative instruments that hedge forecasted transactions was approximately two years and one year, respectively.

**Fair Value Hedges**

All of our long-term debt is comprised of fixed rate instruments. We are subject to interest rate risk on our debt portfolio and may use interest rate swaps to manage the economic effect of fixed rate obligations associated with

**Baker Hughes Holdings LLC**  
**Notes to Unaudited Condensed Consolidated Financial Statements**

certain debt. Under these arrangements, we agree to exchange, at specified intervals, the difference between fixed and floating interest amounts calculated by reference to an agreed-upon notional principal amount.

As of June 30, 2023 and December 31, 2022, we had interest rate swaps with a notional amount of \$500 million that converted a portion of our \$1,350 million aggregate principal amount of 3.337% fixed rate Senior Notes due 2027 into a floating rate instrument with an interest rate based on a LIBOR index as a hedge of its exposure to changes in fair value that are attributable to interest rate risk. As of July 1, 2023, the interest rate is based on a Secured Overnight Financing Rate ("SOFR") index. We concluded that the interest rate swap met the criteria necessary to qualify for the short-cut method of hedge accounting, and as such, an assumption is made that the change in the fair value of the hedged debt, due to changes in the benchmark rate, exactly offsets the change in the fair value of the interest rate swaps. Therefore, the derivative is considered to be effective at achieving offsetting changes in the fair value of the hedged liability, and no ineffectiveness is recognized. The mark-to-market of this fair value hedge is recorded as gains or losses in interest expense and is equally offset by the gain or loss of the underlying debt instrument, which also is recorded in interest expense.

#### **NOTIONAL AMOUNT OF DERIVATIVES**

The notional amount of a derivative is the number of units of the underlying. A substantial majority of the outstanding notional amount of \$4.1 billion and \$3.8 billion at June 30, 2023 and December 31, 2022, respectively, is related to hedges of anticipated sales and purchases in foreign currency, commodity purchases, changes in interest rates, and contractual terms in contracts that are considered embedded derivatives and for intercompany borrowings in foreign currencies. We generally disclose derivative notional amounts on a gross basis to indicate the total counterparty risk. Where we have gross purchase and sale derivative contracts for a particular currency, we look to execute these contracts with the same counterparty to reduce our exposure. The notional amount of these derivative instruments do not generally represent cash amounts exchanged by us and the counterparties, but rather the nominal amount upon which changes in the value of the derivatives are measured.

#### **COUNTERPARTY CREDIT RISK**

Fair values of our derivatives can change significantly from period to period based on, among other factors, market movements and changes in our positions. We manage counterparty credit risk (the risk that counterparties will default and not make payments to us according to the terms of our agreements) on an individual counterparty basis.

**REMAINING PERFORMANCE OBLIGATIONS**

As of June 30, 2023, the aggregate amount of the transaction price allocated to the unsatisfied (or partially unsatisfied) performance obligations was \$31 billion. As of June 30, 2023, we expect to recognize revenue of approximately 60%, 74% and 90% of the total remaining performance obligations within 2, 5, and 15 years, respectively, and the remaining thereafter. Contract modifications could affect both the timing to complete as well as the amount to be received as we fulfill the related remaining performance obligations.

**NOTE 13. SEGMENT INFORMATION**

The Company's segments are determined as those operations whose results are reviewed regularly by the chief operating decision maker ("CODM"), who is our Chief Executive Officer, in deciding how to allocate resources and assess performance. We report our operating results through two operating segments, Oilfield Services & Equipment and Industrial & Energy Technology. Each segment is organized and managed based upon the nature of our markets and customers and consists of similar products and services. These products and services operate across upstream oil and gas and broader energy and industrial markets.

**OILFIELD SERVICES & EQUIPMENT ("OFSE")**

Oilfield Services & Equipment provides products and services for onshore and offshore oilfield operations across the lifecycle of a well, ranging from exploration, appraisal, and development, to production, rejuvenation, and decommissioning. OFSE is organized into four product lines: *Well Construction*, which encompasses drilling services, drill bits, and drilling & completions fluids; *Completions, Intervention, and Measurements*, which encompasses well completions, pressure pumping, and wireline services; *Production Solutions*, which spans artificial lift systems and oilfield & industrial chemicals; and *Subsea & Surface Pressure Systems*, which encompasses subsea projects services and drilling systems, surface pressure control, and flexible pipe systems. Beyond its traditional oilfield concentration, OFSE is expanding its capabilities and technology portfolio to meet the challenges of a net-zero future. These efforts include expanding into new energy areas such as geothermal and carbon capture, utilization and storage, strengthening its digital architecture and addressing key energy market themes.

**INDUSTRIAL & ENERGY TECHNOLOGY ("IET")**

Industrial & Energy Technology provides technology solutions and services for mechanical-drive, compression and power-generation applications across the energy industry, including oil and gas, liquefied natural gas ("LNG") operations, downstream refining and petrochemical markets, as well as lower carbon solutions to broader energy and industrial sectors. IET also provides equipment, software, and services that serve a wide range of industries including petrochemical and refining, nuclear, aviation, automotive, mining, cement, metals, pulp and paper, and food and beverage. IET is organized into six product lines - *Gas Technology Equipment and Gas Technology Services*, collectively referred to as Gas Technology, and *Condition Monitoring, Inspection, Pumps Valves & Gears, and PSI & Controls*, collectively referred to as Industrial Technology.

Revenue and operating income for each segment are determined based on the internal performance measures used by the CODM to assess the performance of each segment in a financial period. The performance of our operating segments is evaluated based on segment operating income (loss), which is defined as income (loss) before income taxes before the following: net interest expense, net other non-operating income (loss), corporate expenses, restructuring, impairment and other charges, inventory impairments, and certain gains and losses not allocated to the operating segments. Consistent accounting policies have been applied by all segments within the Company, for all reporting periods. Intercompany revenue and expense amounts have been eliminated within each segment to report on the basis that management uses internally for evaluating segment performance.

Summarized financial information for the Company's segments is shown in the following tables.

**NOTE 14. RELATED PARTY TRANSACTIONS**

We have an aeroderivative joint venture ("Aero JV") we formed with General Electric Company ("GE") in 2019. The Aero JV is jointly controlled by GE and us, each with ownership interest of 50%, and therefore, we do not consolidate the JV. We had purchases from the Aero JV of \$131 million and \$145 million during the three months ended June 30, 2023 and 2022, respectively, and \$245 million and \$253 million during the six months ended June 30, 2023 and 2022, respectively. We have \$61 million and \$110 million of accounts payable at June 30, 2023 and December 31, 2022, respectively, for goods and services provided by the Aero JV in the ordinary course of business. Sales of products and services and related receivables with the Aero JV were immaterial for the three and six months ended June 30, 2023 and 2022.

**NOTE 15. COMMITMENTS AND CONTINGENCIES**

**LITIGATION**

We are subject to legal proceedings arising in the ordinary course of our business. Because legal proceedings are inherently uncertain, we are unable to predict the ultimate outcome of such matters. We record a liability for those contingencies where the incurrence of a loss is probable and the amount can be reasonably estimated. Based on the opinion of management, we do not expect the ultimate outcome of currently pending legal proceedings to have a material adverse effect on our results of operations, financial position or cash flows. However, there can be no assurance as to the ultimate outcome of these matters.

On July 31, 2018, International Engineering & Construction S.A. ("IEC") initiated arbitration proceedings in New York administered by the International Center for Dispute Resolution ("ICDR") against the Company and its subsidiaries arising out of a series of sales and service contracts entered between IEC and the Company's subsidiaries for the sale and installation of LNG plants and related power generation equipment in Nigeria ("Contracts"). Prior to the filing of the IEC Arbitration, the Company's subsidiaries made demands for payment due under the Contracts. On August 15, 2018, the Company's subsidiaries initiated a separate demand for ICDR arbitration against IEC for claims of additional costs and amounts due under the Contracts. On October 10, 2018,

**Notes to Unaudited Condensed Consolidated Financial Statements**

IEC filed a Petition to Compel Arbitration in the United States District Court for the Southern District of New York against the Company seeking to compel non-signatory Baker Hughes entities to participate in the arbitration filed by IEC. The complaint is captioned International Engineering & Construction S.A. et al. v. Baker Hughes, a GE company, LLC, et al. No. 18-cv-09241 ("S.D.N.Y 2018"); this action was dismissed by the Court on August 13, 2019. In the arbitration, IEC alleges breach of contract and other claims against the Company and its subsidiaries and seeks recovery of alleged compensatory damages, in addition to reasonable attorneys' fees, expenses and arbitration costs. On March 15, 2019, IEC amended its request for arbitration to alleged damages of \$591 million of lost profits plus unspecified additional costs based on alleged non-performance of the contracts in dispute. The arbitration hearing was held from December 9, 2019 to December 20, 2019. On March 3, 2020, IEC amended their damages claim to \$700 million of alleged loss cash flow or, in the alternative, \$244.9 million of lost profits and various costs based on alleged non-performance of the contracts in dispute, and in addition \$4.8 million of liquidated damages, \$58.6 million in take-or-pay costs of feed gas, and unspecified additional costs of rectification and take-or-pay future obligations, plus unspecified interest and attorneys' fees. On May 3, 2020, the arbitration panel dismissed IEC's request for take-or-pay damages. On May 29, 2020, IEC quantified their claim for legal fees at \$14.2 million and reduced their alternative claim from \$244.9 million to approximately \$235 million. The Company and its subsidiaries have contested IEC's claims and are pursuing claims for compensation under the contracts. On October 31, 2020, the ICDR notified the arbitration panel's final award, which dismissed the majority of IEC's claims and awarded a portion of the Company's claims. On January 27, 2021, IEC filed a petition to vacate the arbitral award in the Supreme Court of New York, County of New York. On March 5, 2021, the Company filed a petition to confirm the arbitral award, and on March 8, 2021, the Company removed the matter to the United States District Court for the Southern District of New York. On November 16, 2021, the court granted the Company's petition to confirm the award and denied IEC's petition to vacate. During the second quarter of 2022, IEC paid the amounts owed under the arbitration award, which had an immaterial impact on the Company's financial statements. On February 3, 2022, IEC initiated another arbitration proceeding in New York administered by the ICDR against certain of the Company's subsidiaries arising out of the same project which formed the basis of the first arbitration. On March 25, 2022, the Company's subsidiaries initiated a separate demand for ICDR arbitration against IEC for claims of additional costs and amounts due; such claims against IEC have now been resolved, with any consideration having an immaterial impact on the Company's financial statements. At this time, we are not able to predict the outcome of the proceeding which is pending against the Company's subsidiaries.

On March 15, 2019 and March 18, 2019, the City of Riviera Beach Pension Fund and Richard Schippnick, respectively, filed in the Delaware Court of Chancery shareholder derivative lawsuits for and on Baker Hughes' behalf against GE, the then-current members of the Board of Directors of Baker Hughes and Baker Hughes as a nominal defendant, related to the decision to (i) terminate the contractual prohibition barring GE from selling any of Baker Hughes' shares before July 3, 2019; (ii) repurchase \$1.5 billion in Baker Hughes' stock from GE; (iii) permit GE to sell approximately \$2.5 billion in Baker Hughes' stock through a secondary offering; and (iv) enter into a series of other agreements and amendments that will govern the ongoing relationship between Baker Hughes and GE (collectively, the "2018 Transactions"). The complaints in both lawsuits allege, among other things, that GE, as Baker Hughes' controlling stockholder, and the members of Baker Hughes' Board of Directors breached their fiduciary duties by entering into the 2018 Transactions. The relief sought in the complaints includes a request for a declaration that the defendants breached their fiduciary duties, that GE was unjustly enriched, disgorgement of profits, an award of damages sustained by Baker Hughes, pre- and post-judgment interest, and attorneys' fees and costs. On March 21, 2019, the Chancery Court entered an order consolidating the Schippnick and City of Riviera Beach complaints under consolidated C.A. No. 2019-0201-AGB, styled in re Baker Hughes, a GE company derivative litigation. On May 10, 2019, Plaintiffs voluntarily dismissed their claims against the members of Baker Hughes' Conflicts Committee, and on May 15, 2019, Plaintiffs voluntarily dismissed their claims against former Baker Hughes director Martin Craighead. On June 7, 2019, the defendants and nominal defendant filed a motion to dismiss the lawsuit on the ground that the derivative plaintiffs failed to make a demand on Baker Hughes' Board of Directors to pursue the claims itself, and GE and Baker Hughes' Board of Directors filed a motion to dismiss the lawsuit on the ground that the complaint failed to state a claim on which relief can be granted. The Chancery Court denied the motions on October 8, 2019, except granted GE's motion to dismiss the unjust enrichment claim against it. On October 31, 2019, Baker Hughes' Board of Directors designated a Special Litigation Committee and empowered it with full authority to investigate and evaluate the allegations and issues raised in the derivative litigation. The Special Litigation Committee filed a motion to stay the derivative litigation during its investigation. On December 3, 2019, the Chancery Court granted the motion and stayed the derivative litigation until June 1, 2020. On May 20, 2020, the Chancery Court granted an extension of the stay to October 1, 2020, and on September 29,

**Baker Hughes Holdings LLC**  
**Notes to Unaudited Condensed Consolidated Financial Statements**

2020, the Court granted a further extension of the stay to October 15, 2020. On October 13, 2020, the Special Litigation Committee filed its report with the Court. On April 17, 2023, the Court granted the Special Litigation Committee's motion to terminate the litigation. On May 16, 2023, the plaintiffs filed a notice of appeal. At this time, we are not able to predict the outcome of these proceedings.

On August 13, 2019, Tri-State Joint Fund filed in the Delaware Court of Chancery, a shareholder class action lawsuit for and on the behalf of itself and all similarly situated public stockholders of Baker Hughes Incorporated ("BHI") against the General Electric Company ("GE"), the former members of the Board of Directors of BHI, and certain former BHI Officers alleging breaches of fiduciary duty, aiding and abetting, and other claims in connection with the combination of BHI and the oil and gas business ("GE O&G") of GE ("the Transactions"). On October 28, 2019, City of Providence filed in the Delaware Court of Chancery a shareholder class action lawsuit for and on behalf of itself and all similarly situated public shareholders of BHI against GE, the former members of the Board of Directors of BHI, and certain former BHI Officers alleging substantially the same claims in connection with the Transactions. The relief sought in these complaints include a request for a declaration that Defendants breached their fiduciary duties, an award of damages, pre- and post-judgment interest, and attorneys' fees and costs. The lawsuits have been consolidated, and plaintiffs filed a consolidated class action complaint on December 17, 2019 against certain former BHI officers alleging breaches of fiduciary duty and against GE for aiding and abetting those breaches. The December 2019 complaint omitted the former members of the Board of Directors of BHI, except for Mr. Craighead who also served as President and CEO of BHI. Mr. Craighead and Ms. Ross, who served as Senior Vice President and Chief Financial Officer of BHI, remain named in the December 2019 complaint along with GE. The relief sought in the consolidated complaint includes a declaration that the former BHI officers breached their fiduciary duties and that GE aided and abetted those breaches, an award of damages, pre- and post-judgment interest, and attorneys' fees and costs. On or around February 12, 2020, the defendants filed motions to dismiss the lawsuit on the grounds that the complaint failed to state a claim on which relief could be granted. On or around October 27, 2020, the Chancery Court granted GE's motion to dismiss, and granted in part the motion to dismiss filed by Mr. Craighead and Ms. Ross, thereby dismissing all of the claims against GE and Ms. Ross, and all but one of the claims against Mr. Craighead. On May 2, 2023, a stipulation of dismissal, disposing of the plaintiffs' remaining claims, was granted by the Court.

On or around February 15, 2023, the lead plaintiff and three additional named plaintiffs in a putative securities class action styled *The Reckstin Family Trust, et al., v. C3.ai, Inc., et al.*, No. 4:22-cv-01413-HSG, filed an amended class action complaint (the "Amended Complaint") in the United States District Court for the Northern District of California. The Amended Complaint names the following as defendants: (i) C3.ai, Inc. ("C3 AI"), (ii) certain of C3 AI's current and/or former officers and directors, (iii) certain underwriters for the C3 AI initial public offering (the "IPO"), and (iv) Baker Hughes, and its President and CEO (who formerly served as a director on the board of C3 AI). The Amended Complaint alleges violations of the Securities Act of 1933 and the Securities Exchange Act of 1934 (the "Exchange Act") in connection with the IPO and the subsequent period between December 9, 2020 and December 2, 2021, during which BHH LLC held equity investments in C3 AI. The action seeks unspecified damages and the award of costs and expenses, including reasonable attorneys' fees. At this time, we are not able to predict the outcome of these proceedings.

We insure against risks arising from our business to the extent deemed prudent by our management and to the extent insurance is available, but no assurance can be given that the nature and amount of that insurance will be sufficient to fully indemnify us against liabilities arising out of pending or future legal proceedings or other claims. Most of our insurance policies contain deductibles or self-insured retentions in amounts we deem prudent and for which we are responsible for payment. In determining the amount of self-insurance, it is our policy to self-insure those losses that are predictable, measurable and recurring in nature, such as claims for automobile liability, general liability and workers compensation.

## **OTHER**

In the normal course of business with customers, vendors and others, we have entered into off-balance sheet arrangements, such as surety bonds for performance, letters of credit and other bank issued guarantees. We also provide a guarantee to GE Capital on behalf of a customer who entered into a financing arrangement with GE Capital. Total off-balance sheet arrangements were approximately \$5 billion at June 30, 2023. It is not practicable to estimate the fair value of these financial instruments. As of June 30, 2023, none of the off-balance sheet

arrangements either has, or is likely to have, a material effect on our financial position, results of operations or cash flows.

We sometimes enter into consortium or similar arrangements for certain projects primarily in our OFSE segment. Under such arrangements, each party is responsible for performing a certain scope of work within the total scope of the contracted work, and the obligations expire when all contractual obligations are completed. The failure or inability, financially or otherwise, of any of the parties to perform their obligations could impose additional costs and obligations on us. These factors could result in unanticipated costs to complete the project, liquidated damages or contract disputes.

**NOTE 16. RESTRUCTURING, IMPAIRMENT AND OTHER**

We recorded restructuring, impairment and other charges of \$102 million and \$158 million during the three and six months ended June 30, 2023, respectively, and \$371 million and \$441 million during the three and six months ended June 30, 2022, respectively.

**RESTRUCTURING AND IMPAIRMENT CHARGES**

We recorded restructuring and impairment charges of \$96 million and \$152 million for the three and six months ended June 30, 2023, respectively. In the third quarter of 2022, we announced a restructuring plan in conjunction with a change in our operating segments that was effective October 1, 2022 (the "2022 Plan"). As a result, we continued to incur charges in the second quarter of 2023 related to the 2022 Plan primarily for employee termination expenses driven by actions taken by the Company to facilitate the reorganization into two segments and corporate restructuring. In addition, under a new plan (the "2023 Plan") we incurred costs related to exit activities at specific locations in our segments to align with our current market outlook and rationalize our manufacturing supply chain footprint. These actions also included inventory impairments of \$15 million and \$33 million for the three and six months ended June 30, 2023, respectively, recorded in "Cost of goods sold" in our condensed consolidated statements of income (loss). We expect to incur additional restructuring charges of approximately \$45 million in the second half of 2023 related to these plans, and currently expect these plans to be substantially completed by the end of 2023.

The following table presents restructuring and impairment charges by the impacted segment, however, these charges are not included in the reported segment results:

| Segments                       | Three Months Ended June 30, |       | Six Months Ended June 30, |       |

The following table presents restructuring and impairment charges by type, and includes gains on the dispositions of certain property, plant and equipment ("PP&E") previously impaired as a consequence of exit activities:

## **OTHER CHARGES**

We recorded other charges of \$6 million for the three and six months ended June 30, 2023, respectively, and \$346 million and \$412 million for the three and six months ended June 30, 2022.

Other charges for the three and six months ended June 30, 2022 were primarily associated with the discontinuation of our Russia operations. As a result of the ongoing conflict between Russia and Ukraine, we took actions to suspend substantially all of our operational activities related to Russia. These actions resulted in other charges of \$334 million, primarily associated with the suspension of contracts including all our IET LNG contracts, and the impairment of assets consisting primarily of contract assets, PP&E and reserve for accounts receivable. In addition to these charges, we recorded inventory impairments of \$31 million primarily in IET as part of suspending our Russia operations, which were reported in the "Cost of goods sold" caption in the consolidated condensed statement of income (loss). The 2022 charges also include a write-off of an equity method investment, the release of foreign currency translation adjustments for certain restructured product lines, and separation related costs.

## **NOTE 17. BUSINESS ACQUISITIONS AND DISPOSITIONS**

### **ACQUISITIONS**

During the first six months of 2023, we completed the acquisition of businesses for total cash consideration of \$282 million, net of cash acquired, which consisted primarily of the acquisition of Altus Intervention in the OFSE segment in April 2023. Altus Intervention is a leading international provider of well intervention services and downhole technology. The assets acquired and liabilities assumed in these acquisitions were recorded based on preliminary estimates of their fair values as of the acquisition date. As a result of these acquisitions, we recorded \$113 million of goodwill and \$31 million of intangible assets, subject to final fair value adjustments. Pro forma results of operations for these acquisitions have not been presented because the effects of these acquisitions were not material to our consolidated financial statements.

### **DISPOSITIONS**

During the first six months of 2023, we completed the sale of businesses and received total cash consideration of \$293 million. The dispositions consisted primarily of the sale of our Nexus Controls business in the IET segment to GE in April 2023, which resulted in an immaterial gain. Nexus Controls specializes in scalable industrial controls systems, safety systems, hardware, and software cybersecurity solutions and services. GE will continue to provide Baker Hughes with GE's Mark™ controls products currently in the Nexus Controls portfolio, and we will be the exclusive supplier and service provider of such GE products for our oil and gas customers' control needs.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") should be read in conjunction with the condensed consolidated financial statements and the related notes included in Item 1 thereto, as well as our Annual Report on Form 10-K for the year ended December 31, 2022 ("2022 Annual Report").

We are an energy technology company with a broad and diversified portfolio of technologies and services that span the energy and industrial value chain. We conduct business in more than 120 countries and employ approximately 57,000 employees. We operate through our two business segments: Oilfield Services & Equipment ("OFSE") and Industrial & Energy Technology ("IET"). We sell products and services primarily in the global oil and gas markets, within the upstream, midstream and downstream segments.

### EXECUTIVE SUMMARY

#### Market Conditions

As we look at the second half of 2023, the growing economic uncertainty continues to drive commodity price volatility globally. Despite lower oil prices over the first half of the year, we maintain a constructive outlook for global upstream spending in 2023. We expect strength in international and offshore markets to offset softness in North America.

We continue to believe that the current spending cycle is more durable and less sensitive to commodity price swings relative to prior cycles. This is due to strong balance sheets across the industry and disciplined capital spending focused on returns versus growth. We are seeing this in North America where both major oil companies and large independent exploration and production companies have yet to deviate from their development plans despite the decline in West Texas Intermediate ("WTI") oil prices in the first half of the year.

We also remain optimistic on the LNG outlook despite a significant decline in prices over the first half of the year as we continue to see the shift towards the development of natural gas and LNG. We see solid demand growth this year led by Europe and Asia with solid momentum across the industry for projects reaching final investment decisions. As the world increasingly recognizes the crucial role natural gas is expected to play in the energy transition, serving as both a transition and destination fuel, we believe there is a case for a multi-decade growth opportunity for natural gas.

#### Financial Results and Key Company Initiatives

In the second quarter of 2023, we generated revenue of \$6,315 million compared to \$5,047 million in the second quarter of 2022. The increase in revenue was driven by increased activity in our OFSE and IET segments. Income before income taxes was \$614 million for the second quarter of 2023 compared to a loss of \$655 million in the second quarter of 2022. The increase was driven by higher volume in both the IET and OFSE segments, lower charges relating to the discontinuation of our operations in Russia, which were recognized in the prior year, and a positive effect from the change in fair value on certain equity securities.

Our results in the first half of 2023 were impacted by the discontinuation of our Russia operations that occurred in 2022. Russia represented approximately 1% and 3% of our total revenue in the three and six months ended June 30, 2022, the majority of which was in our OFSE segment.

As we continue our transformation, we are driving actions to optimize our corporate structure and drive higher margins and returns. While reducing costs is one lever, we are also fundamentally redesigning the organization to simplify reporting lines, eliminate duplication, and taking measured steps to enhance our financial reporting systems.

We continue to invest in the Baker Hughes portfolio through strategic acquisitions and early-stage new energy investments. In April 2023, we closed on the acquisition of Altus Intervention, a leading international provider of well intervention services and downhole technology, which will enhance OFSE's existing intervention solutions business and add new technology that can be scaled into new geographic markets. Also in April 2023, we closed on the disposition of our Nexus Controls business to GE.

## Outlook

Our business is exposed to a number of macro factors, which influence our outlook and expectations given the current volatile conditions in the industry. All of our outlook expectations are purely based on the market as we see it today and are subject to changing conditions in the industry.

- OFSE North America activity: North American activity levels are trending lower due to lower activity from private operators and in gas basins driven by the recent decline in commodity prices.
- OFSE International activity: We expect spending outside of North America to experience strong growth in 2023, as compared to 2022.
- IET LNG projects: We remain optimistic on the LNG market long-term and view natural gas as a transition and destination fuel. We continue to view the long-term economics of the LNG industry as positive.

We have other businesses in our portfolio that are more correlated with various industrial metrics, including global GDP growth. We also have businesses within our portfolio that are exposed to new energy solutions, specifically focused around reducing carbon emissions of the energy and broader industry, including hydrogen, geothermal, carbon capture, utilization and storage, and energy storage. We expect to see continued growth in these businesses as new energy solutions become a more prevalent part of the broader energy mix.

Overall, we believe our portfolio is well positioned to compete across the energy value chain and deliver comprehensive solutions for our customers. We remain optimistic about the long-term economics of the oil and gas industry, but we are continuing to operate with flexibility. Over time, we believe the world's demand for energy will continue to rise, and that hydrocarbons will play a major role in meeting the world's energy needs for the foreseeable future. As such, we remain focused on delivering innovative, low-emission, and cost-effective solutions that deliver step changes in operating and economic performance for our customers.

## Corporate Responsibility

We believe we have an important role to play in society as an industry leader and partner. We view environmental, social, and governance as a key lever to transform the performance of our Company and our industry. In January 2019, we made a commitment to reduce Scope 1 and 2 carbon dioxide equivalent emissions from our operations by 50% by 2030, achieving net zero emissions by 2050. We continue to make progress on emissions reductions, and reported in our 2022 Corporate Sustainability Report a 28% reduction in our Scope 1 and 2 carbon dioxide equivalent emissions compared to our 2019 base year.

## BUSINESS ENVIRONMENT

The following discussion and analysis summarizes the significant factors affecting our results of operations, financial condition and liquidity position as of and for the three and six months ended June 30, 2023 and 2022, and should be read in conjunction with the condensed consolidated financial statements and related notes of the Company.

Our revenue is predominately generated from the sale of products and services to major, national, and independent oil and natural gas companies worldwide, and is dependent on spending by our customers for oil and natural gas exploration, field development and production. This spending is driven by a number of factors, including our customers' forecasts of future energy demand and supply, their access to resources to develop and produce oil and natural gas, their ability to fund their capital programs, the impact of new government regulations, and their expectations for oil and natural gas prices as a key driver of their cash flows.

## Oil and Natural Gas Prices

Oil and natural gas prices are summarized in the table below as averages of the daily closing prices during each of the periods indicated.

|   | Three Months Ended June 30, |           | Six Months Ended June 30, |           |

Outside North America, customer spending is influenced by Brent oil prices, which decreased from the same quarter last year, ranging from a high of \$88.31/Bbl in April 2023 to a low of \$71.80/Bbl in June 2023. For the six months ended June 30, 2023, Brent oil prices averaged \$79.58/Bbl, which represented a decrease of \$27.62/Bbl from the same period last year.

In North America, customer spending is influenced by WTI oil prices, which decreased from the same quarter last year. Overall, WTI oil prices ranged from a high of \$83.26/Bbl in April 2023 to a low of \$67.08/Bbl in June 2023. For the six months ended June 30, 2023, WTI oil prices averaged \$74.73/Bbl, which represented a decrease of \$27.28/Bbl from the same period last year.

In North America, natural gas prices, as measured by the Henry Hub Natural Gas Spot Price, averaged \$2.16/mmBtu in the second quarter of 2023, representing a 71% decrease from the same quarter in the prior year. Throughout the quarter, Henry Hub Natural Gas Spot Prices ranged from a high of \$2.71/mmBtu in late June 2023 to a low of \$1.74/mmBtu in early June 2023.

## Baker Hughes Rig Count

The Baker Hughes rig counts are an important business barometer for the drilling industry and its suppliers. When drilling rigs are active they consume products and services produced by the oil service industry. Rig count trends are driven by the exploration and development spending by oil and natural gas companies, which in turn is influenced by current and future price expectations for oil and natural gas. The counts may reflect the relative strength and stability of energy prices and overall market activity; however, these counts should not be solely relied on as other specific and pervasive conditions may exist that affect overall energy prices and market activity.

We have been providing rig counts to the public since 1944. We gather all relevant data through our field service personnel, who obtain the necessary data from routine visits to the various rigs, customers, contractors and other outside sources as necessary. We base the classification of a well as either oil or natural gas primarily upon filings made by operators in the relevant jurisdiction. This data is then compiled and distributed to various wire services and trade associations and is published on our website. We believe the counting process and resulting data is reliable; however, it is subject to our ability to obtain accurate and timely information. Rig counts are compiled weekly for the U.S. and Canada and monthly for all international rigs. Published international rig counts do not include rigs drilling in certain locations, such as onshore China because this information is not readily available.

Rigs in the U.S. and Canada are counted as active if, on the day the count is taken, the well being drilled has been started but drilling has not been completed and the well is anticipated to be of sufficient depth to be a potential consumer of our drill bits. In international areas, rigs are counted on a weekly basis and deemed active if drilling activities occurred during the majority of the week. The weekly results are then averaged for the month and published accordingly. The rig count does not include rigs that are in transit from one location to another, rigging up, being used in non-drilling activities including production testing, completion and workover, and are not expected to be significant consumers of drill bits.

The rig counts are summarized in the table below as averages for each of the periods indicated.

|               | Three Months Ended June 30, |       |          | Six Months Ended June 30, |       |          |
|---------------|-----------------------------|-------|----------|---------------------------|-------|----------|

| North America | 836                         | 827   | 1 %      | 909                       | 829   | 10 %     |
| International | 960                         | 816   | 18 %     | 938                       | 819   | 14 %     |
| Worldwide     | 1,796                       | 1,643 | 9 %      | 1,847                     | 1,648 | 12 %     |

The worldwide rig count was 1,796 for the second quarter of 2023, an increase of 9% as compared to the same period last year primarily due to an increase internationally. Within North America, the increase was primarily driven by the Canada rig count, which was up 3% when compared to the same period last year, and an increase in the U.S. rig count, which was up 1% when compared to the same period last year. Internationally, the rig count increase was driven primarily by an increase in the Europe, Africa, and Asia Pacific regions of 42%, 24%, and 18%, respectively.

The worldwide rig count was 1,847 for the six months ended June 30, 2023, an increase of 12% as compared to the same period last year primarily due to an increase internationally. Within North America, the increase was driven by both the U.S. and Canada rig counts, which were each up 10% when compared to the same period last year. Internationally, the rig count increase was primarily driven by the Europe, Africa, and Latin America regions of 30%, 17%, and 15%, respectively.

## RESULTS OF OPERATIONS

The discussions below relating to significant line items from our condensed consolidated statements of income (loss) are based on available information and represent our analysis of significant changes or events that impact the comparability of reported amounts. Where appropriate, we have identified specific events and changes that affect comparability or trends and, where reasonably practicable, have quantified the impact of such items. In addition, the discussions below for revenue and cost of revenue are on a total basis as the business drivers for product sales and services are similar. All dollar amounts in tabulations in this section are in millions of dollars, unless otherwise stated. Certain columns and rows may not add due to the use of rounded numbers.

Our condensed consolidated statements of income (loss) displays sales and costs of sales in accordance with SEC regulations under which "goods" is required to include all sales of tangible products and "services" must include all other sales, including other service activities. For the amounts shown below, we distinguish between "equipment" and "product services", where product services refer to sales under product services agreements, including sales of both goods (such as spare parts and equipment upgrades) and related services (such as monitoring, maintenance and repairs), which is an important part of our operations. We refer to "product services" simply as "services" within the Business Environment section of Management's Discussion and Analysis.

Our results of operations are evaluated by the Chief Executive Officer on a consolidated basis as well as at the segment level. The performance of our operating segments is primarily evaluated based on segment operating income (loss), which is defined as income (loss) before income taxes and before the following: net interest expense, net other non-operating income (loss), corporate expenses, restructuring, impairment and other charges, inventory impairments, and certain gains and losses not allocated to the operating segments.

In evaluating the segment performance, the Company primarily uses the following:

**Volume:** Volume is the increase or decrease in products and/or services sold period-over-period excluding the impact of foreign exchange and price. The volume impact on profit is calculated by multiplying the prior period profit rate by the change in revenue volume between the current and prior period. It also includes price, defined as the change in sales price for a comparable product or service period-over-period and is calculated as the period-over-period change in sales prices of comparable products and services.

**Foreign Exchange ("FX"):** FX measures the translational foreign exchange impact, or the translation impact of the period-over-period change on sales and costs directly attributable to change in the foreign exchange rate

compared to the U.S. dollar. FX impact is calculated by multiplying the functional currency amounts (revenue or profit) with the period-over-period FX rate variance, using the average exchange rate for the respective period.

**(Inflation)/Deflation:** (Inflation)/deflation is defined as the increase or decrease in direct and indirect costs of the same type for an equal amount of volume. It is calculated as the year-over-year change in cost (i.e. price paid) of direct material, compensation and benefits and overhead costs.

**Productivity:** Productivity is measured by the remaining variance in profit, after adjusting for the period-over-period impact of volume and price, foreign exchange and (inflation)/deflation as defined above. Improved or lower period-over-period cost productivity is the result of cost efficiencies or inefficiencies, such as cost decreasing or increasing more than volume, or cost increasing or decreasing less than volume, or changes in sales mix among segments. This also includes the period-over-period variance of transactional foreign exchange, aside from those foreign currency devaluations that are reported separately for business evaluation purposes.

### **Orders and Remaining Performance Obligations**

## Segment Revenues and Segment Operating Income

### Second Quarter of 2023 Compared to the Second Quarter of 2022

Revenue increased \$1,268 million, or 25%, driven by increased activity in OFSE and IET. OFSE increased \$647 million and IET increased \$621 million. Total segment operating income increased \$244 million, driven by growth in OFSE and IET.

### Oilfield Services & Equipment

OFSE revenue of \$3,877 million increased \$647 million, or 20%, in the second quarter of 2023 compared to the second quarter of 2022, primarily as a result of increased activity as evidenced by an increase in the global rig count. North America revenue was \$1,042 million in the second quarter of 2023, an increase of \$117 million from the second quarter of 2022. International revenue was \$2,835 million in the second quarter of 2023, an increase of \$530 million from the second quarter of 2022, driven by volume growth in all regions, primarily Middle East/Asia and Latin America regions, partially offset by lower Russia volume.

OFSE segment operating income was \$417 million in the second quarter of 2023 compared to \$249 million in the second quarter of 2022. The increase in operating income was primarily driven by higher volume and price, partially offset by decreased cost productivity and cost inflation.

### **Industrial & Energy Technology**

IET revenue of \$2,438 million increased \$621 million, or 34%, in the second quarter of 2023 compared to the second quarter of 2022. The increase was primarily driven by higher volume in Gas Technology Equipment and, to a lesser extent, in Gas Technology Services and Industrial Technology.

IET segment operating income was \$311 million in the second quarter of 2023 compared to \$236 million in the second quarter of 2022. The operating income performance in the second quarter of 2023 was driven by higher volume and pricing actions in certain product lines, partially offset by unfavorable business mix, decreased cost productivity, inflationary pressure, and higher research and development costs related to new energy investments.

### **Corporate**

In the second quarter of 2023, corporate expenses were \$97 million compared to \$108 million in the second quarter of 2022. The decrease of \$11 million was driven by savings related to our corporate optimization process.

### **Inventory Impairment**

In the second quarter of 2023, we recorded inventory impairments of \$15 million, predominately in the OFSE segment related to exit activities at specific locations. In the second quarter of 2022, we recorded inventory impairments of \$31 million, primarily in the IET segment as part of suspending our Russia operations. Charges for inventory impairments are reported in the "Cost of goods sold" caption in the condensed consolidated statements of income (loss).

### **Restructuring, Impairment and Other**

In the second quarter of 2023, we recognized \$102 million of restructuring, impairment, and other charges, compared to \$371 million in the second quarter of 2022. In the third quarter of 2022, we announced a restructuring plan in conjunction with a change in our operating segments. As a result, we continued to incur charges in the second quarter of 2023 primarily related to employee termination expenses driven by actions taken to facilitate our reorganization into two segments and to optimize our corporate structure. In addition, costs were incurred related to exit activities at specific locations in our segments to align with our current market outlook and to rationalize our manufacturing supply chain footprint. The charges in the second quarter of 2022 primarily related to the suspension of substantially all of our operations in Russia.

### **Other Non-Operating Income (loss), Net**

In the second quarter of 2023, we incurred \$158 million of other non-operating income. Included in this amount was a net gain of \$148 million from the change in fair value for certain equity investments. For the second quarter of 2022, we incurred \$570 million of other non-operating losses. Included in this amount was a loss of \$426 million related to the OFSE Russia business, which was classified as held for sale during the second quarter of 2022, and a loss of \$123 million from the change in fair value for certain equity investments.

### **Interest Expense, Net**

In the second quarter of 2023, we incurred interest expense, net of interest income, of \$58 million, which decreased \$2 million compared to the second quarter of 2022.

### **Income Taxes**

In the second quarter of 2023, the provision for income taxes was \$171 million. The difference between the U.S. statutory tax rate of 21% and the effective tax rate is primarily related to income in jurisdictions with tax rates higher than in the U.S., which is partially offset by tax benefits related to uncertain tax positions. In addition, since we are a

partnership for U.S. federal tax purposes, any tax impacts associated with U.S. income or losses are recognized by our Members and not reflected in our tax expense.

In the second quarter of 2022, the provision for income taxes was \$181 million. The difference between the U.S. statutory tax rate of 21% and the effective tax rate is primarily related to losses with no tax benefit due to valuation allowances, restructuring charges related to our Russia operations for which a majority has no tax benefit, and income in jurisdictions with tax rates higher than in the U.S.

### **The First Six Months of 2023 Compared to the First Six Months of 2022**

Revenue increased \$2,148 million, or 22%, driven by increased activity in OFSE and IET. OFSE increased \$1,207 million and IET increased \$941 million. Total segment operating income increased \$403 million, primarily driven by OFSE.

#### **Oilfield Services & Equipment**

OFSE revenue of \$7,454 million increased \$1,207 million, or 19%, in the first six months of 2023 compared to the first six months of 2022, as a result of increased activity as evidenced by an increase in the global rig count. North America revenue was \$2,033 million in the first six months of 2023, an increase of \$285 million from the first six months of 2022. International revenue was \$5,421 million in the first six months of 2023, an increase of \$922 million from the first six months of 2022, driven by the Middle East/Asia and Latin America regions, partially offset by declines in the Europe/CIS/Sub-Saharan Africa region, driven by lower Russia volume.

OFSE segment operating income was \$789 million in the first six months of 2023 compared to \$461 million in the first six months of 2022. The increase in operating income was primarily driven by higher volume and price, partially offset by cost inflation and decreased cost productivity.

#### **Industrial & Energy Technology**

IET revenue of \$4,576 million increased \$941 million, or 26%, in the first six months of 2023 compared to the first six months of 2022. The increase was primarily driven by higher volume in Gas Technology Equipment and, to a lesser extent, in Gas Technology Services and Industrial Technology, partially offset by unfavorable foreign currency translation impact.

IET segment operating income was \$552 million in the first six months of 2023 compared to \$476 million in the first six months of 2022. The operating income performance in the first six months of 2023 was driven by higher volume and pricing actions in certain product lines, partially offset by unfavorable business mix and cost productivity, inflationary pressure, higher research and development costs related to new energy investments, and unfavorable foreign currency translation impact.

#### **Corporate**

In the first six months of 2023, corporate expenses were \$197 million compared to \$213 million in the first six months of 2022. The decrease of \$16 million was driven by savings related to our corporate optimization process.

#### **Inventory Impairment**

In the first six months of 2023, we recorded inventory impairments of \$33 million, predominately in the OFSE segment related to exit activities at specific locations. In the first six months of 2022, we recorded inventory impairments of \$31 million, primarily in the IET segment as part of suspending our Russia operations. Charges for inventory impairments are reported in the "Cost of goods sold" caption in the condensed consolidated statements of income (loss).

#### **Restructuring, Impairment and Other**

In the first six months of 2023, we recognized \$158 million of restructuring, impairment, and other charges, compared to \$441 million in the first six months of 2022. In the third quarter of 2022, we announced a restructuring plan in conjunction with a change in our operating segments. As a result, we continued to incur charges in the first

six months of 2023 primarily related to employee termination expenses driven by actions taken to facilitate the reorganization into two segments and to optimize our corporate structure. In addition, costs were incurred related to exit activities at specific locations in our segments to align with our current market outlook and to rationalize our manufacturing supply chain footprint. The charges in the first six months of 2022 primarily related to the suspension of substantially all of our operations in Russia in the second quarter of 2022, and a write-off of an equity method investment and the release of foreign currency translation adjustments for certain restructured product lines in the first quarter of 2022.

### **Other Non-Operating Income (loss), Net**

In the first six months of 2023, we incurred \$544 million of other non-operating income. Included in this amount was a gain of \$540 million from the change in fair value for certain equity investments. For the first six months of 2022, we incurred \$597 million of other non-operating losses. Included in this amount was a loss of \$426 million related to the OFSE Russia business, which was classified as held for sale at the end of the second quarter of 2022, and a loss of \$112 million from the change in fair value for certain equity investments.

### **Interest Expense, Net**

In the first six months of 2023, we incurred interest expense, net of interest income, of \$122 million, which decreased \$2 million compared to the first six months of 2022.

### **Income Taxes**

In the first six months of 2023, the provision for income taxes was \$312 million. The difference between the U.S. statutory tax rate of 21% and the effective tax rate is primarily related to income in jurisdictions with tax rates higher than in the U.S., which is partially offset by tax benefits related to uncertain tax positions. Further, the tax rate is also partially reduced by income subject to U.S. tax at an effective rate less than 21% due to valuation allowances.

In the first six months of 2022, the provision for income taxes was \$276 million. The difference between the U.S. statutory tax rate of 21% and the effective tax rate is primarily related to losses with no tax benefit due to valuation allowances, restructuring charges related to our Russia operations for which a majority has no tax benefit, and income in jurisdictions with tax rates higher than in the U.S.

## **LIQUIDITY AND CAPITAL RESOURCES**

Our objective in financing our business is to maintain sufficient liquidity, adequate financial resources and financial flexibility in order to fund the requirements of our business. We continue to maintain solid financial strength and liquidity. At June 30, 2023, we had cash and cash equivalents of \$2.8 billion compared to \$2.5 billion at December 31, 2022.

In the U.S. we held cash and cash equivalents of approximately \$0.7 billion and \$0.6 billion and outside the U.S. of approximately \$2.1 billion and \$1.9 billion as of June 30, 2023 and December 31, 2022, respectively. A substantial portion of the cash held outside the U.S. at June 30, 2023 has been reinvested in active non-U.S. business operations. If we decide at a later date to repatriate certain cash to the U.S., we may incur other additional taxes that would not be significant to the total tax provision.

As of June 30, 2023 and December 31, 2022, we had \$623 million and \$605 million, respectively, of cash held in countries with currency controls that limit the flow of cash out of the jurisdiction or limit our ability to transfer funds without potentially incurring substantial costs. These funds are available to fund operations and growth in their respective jurisdictions, and we do not currently anticipate a need to transfer these funds to the U.S.

We have a \$3 billion committed unsecured revolving credit facility ("the Credit Agreement") with commercial banks maturing in December 2024. The Credit Agreement contains certain customary representations and warranties, certain customary affirmative covenants and certain customary negative covenants. Upon the occurrence of certain events of default, our obligations under the Credit Agreement may be accelerated. Such events of default include payment defaults to lenders under the Credit Agreement and other customary defaults. No such events of default have occurred. In addition, we have a commercial paper program with authorization up to \$3 billion under which we may issue from time to time commercial paper with maturities of no more than 397 days. At

June 30, 2023 and December 31, 2022, there were no borrowings under either the Credit Agreement or the commercial paper program.

Certain Senior Notes contain covenants that restrict our ability to take certain actions. See "Note 8. Debt" of the Notes to Unaudited Condensed Consolidated Financial Statements in this Quarterly Report for further details. At June 30, 2023, we were in compliance with all debt covenants. Our next debt maturity is December 2023, and we will most likely refinance this debt in the second half of 2023 based on market conditions.

We continuously review our liquidity and capital resources. If market conditions were to change, for instance due to the uncertainty created by geopolitical events, a global pandemic or a significant decline in oil and gas prices, and our revenue was reduced significantly or operating costs were to increase significantly, our cash flows and liquidity could be negatively impacted. Additionally, it could cause the rating agencies to lower our credit ratings. There are no ratings triggers that would accelerate the maturity of any borrowings under our committed credit facility; however, a downgrade in our credit ratings could increase the cost of borrowings under the credit facility and could also limit or preclude our ability to issue commercial paper. Should this occur, we could seek alternative sources of funding, including borrowing under the credit facility.

During the six months ended June 30, 2023, we dispersed cash to fund a variety of activities including certain working capital needs, capital expenditures, business acquisitions, distributions to Members, and repurchases of our Units.

## Cash Flows

Cash flows provided by (used in) each type of activity were as follows for the six months ended June 30:

| <i>(In millions)</i> |    | <b>2023</b> |    | <b>2022</b> |
|----------------------|----|-------------|----|-------------|
| Operating activities | \$ | 1,273       | \$ | 400         |
| Investing activities |    | (414)       |    | (430)       |
| Financing activities |    | (501)       |    | (868)       |

## Operating Activities

Cash flows from operating activities generated cash of \$1,273 million and \$400 million for the six months ended June 30, 2023 and 2022, respectively.

Our largest source of operating cash is payments from customers, of which the largest component is collecting cash related to our sales of products and services including advance payments or progress collections for work to be performed. The primary use of operating cash is to pay our suppliers, employees, tax authorities, and others for a wide range of goods and services.

For the six months ended June 30, 2023, cash generated from operating activities were primarily driven by net income adjusted for certain noncash items (including depreciation, amortization, gain on equity securities, stock-based compensation cost, deferred tax provision, and the impairment of certain assets). Net working capital cash generation was \$65 million for the six months ended June 30, 2023, mainly due to strong progress collections on equipment contracts, partially offset by an increase in receivables and inventory as we continue to build for growth.

For the six months ended June 30, 2022, cash generated from operating activities were primarily driven by net losses adjusted for certain noncash items (including depreciation, amortization, loss on assets held for sale, loss on equity securities, stock-based compensation costs, deferred tax provision, and the impairment of certain assets). Net working capital cash usage was \$133 million for the six months ended June 30, 2022, mainly due to the increase in receivables and inventory as we build for revenue growth, partially offset by strong progress collections on equipment contracts.

## Investing Activities

Cash flows from investing activities used cash of \$414 million and \$430 million for the six months ended June 30, 2023 and 2022, respectively.

Our principal recurring investing activity is the funding of capital expenditures including property, plant and equipment ("PP&E") and software, to support and generate revenue from operations. Expenditures for capital assets were \$587 million and \$494 million for the six months ended June 30, 2023 and 2022, respectively, partially offset by cash flows from the disposal of PP&E of \$87 million and \$143 million for the six months ended June 30, 2023 and 2022, respectively. Proceeds from the disposal of assets are primarily related to equipment that was lost-in-hole, predominantly in OFSE, and to PP&E no longer used in operations that was sold throughout the period.

During the six months ended June 30, 2023, we completed the acquisition of businesses for total cash consideration of \$282 million, net of cash acquired, which consisted primarily of the acquisition of Altus Intervention in the OFSE segment. We also completed the sale of businesses and received total cash consideration of \$293 million, which consisted primarily of the sale of our Nexus Controls business in the IET segment.

## Financing Activities

Cash flows from financing activities used cash of \$501 million and \$868 million for the six months ended June 30, 2023 and 2022, respectively.

We made distributions to our Members of \$384 million and \$369 million during the six months ended June 30, 2023 and 2022, respectively.

We repurchased and canceled 3.6 million Units for a total of \$99 million during the six months ended June 30, 2023. During the six months ended June 30, 2022, we repurchased and canceled 14.8 million Units for a total of \$462 million.

## Cash Requirements

We believe cash on hand, cash flows from operating activities, the available revolving credit facility, access to both our commercial paper program or our uncommitted lines of credit, and availability under our existing shelf registrations of debt will provide us with sufficient capital resources and liquidity in the short-term and long-term to manage our working capital needs, meet contractual obligations, fund capital expenditures and distributions, repay debt, repurchase our common units, and support the development of our short-term and long-term operating strategies. When necessary, we issue commercial paper or other short-term debt to fund cash needs in the U.S. in excess of the cash generated in the U.S.

Our capital expenditures can be adjusted and managed by us to match market demand and activity levels. We continue to believe that based on current market conditions, capital expenditures in 2023 are expected to be made at a rate that would equal up to 5% of annual revenue. The expenditures are expected to be used primarily for normal, recurring items necessary to support our business. We currently anticipate making income tax payments in the range of \$500 million to \$550 million in 2023.

## Other Factors Affecting Liquidity

*Customer receivables:* In line with industry practice, we may bill our customers for services provided in arrears dependent upon contractual terms. In a challenging economic environment, we may experience delays in the payment of our invoices due to customers' lower cash flow from operations or their more limited access to credit markets. While historically there have not been material non-payment events, we attempt to mitigate this risk through working with our customers to restructure their debts. A customer's failure or delay in payment could have a material adverse effect on our short-term liquidity and results of operations. Our gross customer receivables in the U.S. were 14% and in Mexico 11% as of June 30, 2023. No other country accounted for more than 10% of our gross customer receivables at this date.

*International operations:* Our cash that is held outside the U.S. is 74% of the total cash balance as of June 30, 2023. We may not be able to use this cash quickly and efficiently due to exchange or cash controls that could make it challenging. As a result, our cash balance may not represent our ability to quickly and efficiently use this cash.

## CRITICAL ACCOUNTING ESTIMATES

Our critical accounting estimation processes are consistent with those described in Item 7 of Part II, "Management's discussion and analysis of financial condition and results of operations" of our 2022 Annual Report.

## FORWARD-LOOKING STATEMENTS

These documents are available through our website or through the SEC's Electronic Data Gathering and Analysis Retrieval (EDGAR) system at <http://www.sec.gov>.

Any forward-looking statements speak only as of the date of this Quarterly Report on Form 10-Q. ### RECITALS

WHEREAS, the Borrower, the lenders from time to time party thereto (the "Lenders"), and JPMorgan Chase Bank, N.A., as Administrative Agent, are party to the Credit Agreement, dated as of December 10, 2019 (as in effect on the date hereof immediately before giving effect to the amendments contemplated hereby, the "Existing Credit Agreement", and as amended by this Amendment, the "Credit Agreement");

WHEREAS, certain loans, commitments and/or other extensions of credit (the "Loans") under the Existing Credit Agreement denominated in Dollars incur or are permitted to incur interest, fees or other amounts based on the London Interbank Offered Rate as administered by the ICE Benchmark Administration (the "Eurodollar Rate") in accordance with the terms of the Existing Credit Agreement;

WHEREAS, the Administrative Agent, the Borrower and the Lenders party hereto have determined in accordance with the Existing Credit Agreement that the Eurodollar Rate should be replaced with the applicable Benchmark Replacement for all purposes under the Credit Agreement and the parties to this Agreement hereby agree that such changes shall become effective as of the First Amendment Effective Date (as defined below); and

WHEREAS, pursuant to Section 2.11(c) of the Existing Credit Agreement, the Administrative Agent and the Borrower have determined that in connection with the implementation of a Benchmark Replacement, certain Benchmark Replacement Conforming Changes are necessary or advisable and such changes shall become effective as of the First Amendment Effective Date without any further consent of any other party to the Credit Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms. Capitalized terms used herein but not otherwise defined herein shall have the meanings provided to such terms in the Credit Agreement.

2. Amendment. Effective as of the First Amendment Effective Date the Existing Credit Agreement and Exhibit A thereto are hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages attached as Annex A hereto.

3. Payment of Expenses. The Borrower agrees to reimburse the Administrative Agent for all reasonable out-of-pocket expenses incurred by the Administrative Agent in connection with the preparation, execution and delivery of this Amendment, including the reasonable fees, charges and disbursements of counsel to the Administrative Agent, in each case to the extent reimbursable pursuant to Section 9.03(a) of the Credit Agreement.

4. Condition Precedent. The effectiveness of this Amendment is subject to the satisfaction of the condition (the date of the satisfaction of such condition, the "First Amendment Effective Date") that the Administrative Agent (or its counsel) shall have received from the Borrower and Lenders comprising 100% of the Lenders as of immediately prior to the First Amendment Effective Date either (x) a counterpart of this Amendment signed on behalf of such party or (y) written evidence reasonably satisfactory to the Administrative Agent (which may include delivery of a signed signature page of this

Amendment by facsimile or other means of electronic transmission (e.g., “pdf”) that such party has signed a counterpart of this Amendment.

5. Representations and Warranties. The Borrower represents and warrants to the Administrative Agent that, as of the date hereof:

(a) This Amendment constitutes a legal, valid and binding obligation of the Borrower, enforceable in accordance with its terms, subject however to (i) the exercise of judicial discretion in accordance with general principles of equity and (ii) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted.

(b) The execution, delivery and performance by the Borrower of this Amendment has been duly authorized by all necessary limited liability company action and does not and will not violate any provision of any law or regulation, or contractual or limited liability company restrictions, in each case, binding on the Borrower and material to the Borrower and its subsidiaries, taken as a whole.

6. Reaffirmation; Reference to and Effect on the Credit Agreement.

(a) From and after the First Amendment Effective Date, each reference in the Credit Agreement to “hereunder,” “hereof,” “this Agreement” or words of like import shall, unless the context otherwise requires, mean and be a reference to the Credit Agreement as amended by this Amendment.

(b) The Credit Agreement, and the obligations of the Borrower thereunder, are hereby ratified and confirmed and shall remain in full force and effect according to their terms.

(c) The Borrower (i) acknowledges and consents to all of the terms and conditions of this Amendment, (ii) affirms all of its obligations under the Credit Agreement and (iii) agrees that this Amendment and all documents executed in connection herewith do not operate to reduce or discharge its obligations under the Credit Agreement.

(d) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under the Credit Agreement, nor constitute a waiver of any provision of any of the Credit Agreement.

(e) In the event of any conflict between the terms of this Amendment and the terms of the Credit Agreement, the terms hereof shall control.

7. Governing Law; Jurisdiction; Consent to Service of Process; Waiver of Jury Trial, Etc.

(a) This Amendment shall be construed in accordance with and governed by the law of the State of New York, without regard to conflict of laws principles thereof to the extent such principles would cause the application of the law of another state.

**(b) EACH PARTY HERETO HEREBY AGREES AS SET FORTH IN SECTION 9.09 OF THE CREDIT AGREEMENT AS IF SUCH SECTION WERE SET FORTH IN FULL HEREIN.**

8. Amendments; Headings; Severability. This Amendment may not be amended nor may any provision hereof be waived except pursuant to a writing signed by the Borrower and the Administrative Agent. The Section headings used herein are for convenience of reference only, are not part of this Amendment and are not to affect the construction of, or to be taken into consideration in interpreting this Amendment. Any provision of this Amendment held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the

remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

9. Execution in Counterparts. This Amendment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Amendment by telecopy, emailed pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Amendment. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Amendment and the transactions contemplated hereby shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

The parties hereto agree as follows:

## ARTICLE I

### DEFINITIONS

SECTION 1.01. Defined Terms. As used in this Agreement, the following terms have the meanings specified below:

“ABR”, when used in reference to any Loan or Borrowing, refers to whether such Loan or the Loans comprising such Borrowing, are bearing interest at a rate determined by reference to the Alternate Base Rate.

~~“Alternate Base Rate” means, a fluctuating per annum rate of interest equal to the highest of (a) the Prime Rate in effect on such day, (b) the NYFRB Rate in effect on such day, plus 50 basis points per annum, and (c) the sum of (i) the Eurodollar Rate applicable for an Interest Period of one month determined two (2) Business Days prior to the first day of the then current month and (ii) 1.00% per annum. Any change in the Alternate Base Rate (or any component thereof) due to a change in the NYFRB Rate or the Eurodollar Rate, as the case may be, shall be effective from and including the effective date of such change in the NYFRB Rate or the Eurodollar Rate, as the case may be.~~

“Adjusted Daily Simple SOFR” means an interest rate per annum equal to (a) the Daily Simple SOFR, plus (b) 0.1%; provided that, if the Adjusted Daily Simple SOFR Rate as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of this Agreement.

“Adjusted Term SOFR Rate” means, for any Interest Period, an interest rate per annum equal to (a) the Term SOFR Rate for such Interest Period, plus (b) 0.1%; provided that, if the Adjusted Term SOFR Rate as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of this Agreement.

“Additional Commitment Bank” has the meaning set forth in Section 2.18(c).

“Administrative Agent” means JPMorgan Chase Bank, in its capacity as administrative agent for the Lenders hereunder.

“Administrative Questionnaire” means an Administrative Questionnaire in a form supplied by the Administrative Agent.

“Alternate Base Rate” means, for any day, a rate per annum rate of interest equal to the greatest of (a) the Prime Rate in effect on such day, (b) the NYFRB Rate in effect on such day, plus 50 basis points per annum, and (c) the sum of (i) the Adjusted Term SOFR Rate for a one month Interest Period as published two U.S. Government Securities Business Days prior to such day (or if such day is not a U.S. Government Securities Business Day, the immediately preceding U.S. Government Securities

Business Day) and (ii) 1.00% per annum; provided that, for the purpose of this definition, the Adjusted Term SOFR Rate for any day shall be based on the Term SOFR Reference Rate at approximately 5:00 a.m. Chicago time on such day (or any amended publication time for the Term SOFR Reference Rate, as specified by the CME Term SOFR Administrator in the Term SOFR Reference Rate methodology). Any change in the Alternate Base Rate (or any component thereof) due to a change in the Prime Rate, the NYFRB Rate or the Adjusted Term SOFR Rate, as the case may be, shall be effective from and including the effective date of such change in the Prime Rate, NYFRB Rate or the Adjusted Term SOFR Rate, as the case may be. If the Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 2.11 (for the avoidance of doubt, only until the Benchmark Replacement has been determined pursuant to Section 2.11(b)), then the Alternate Base Rate shall be the greater of clauses (a) and (b) above and shall be determined without reference to clause (c) above. For the avoidance of doubt, if the Alternate Base Rate as determined pursuant to the foregoing would be less than 1.0%, such rate shall be deemed to be 1.0% for purposes of this Agreement.

For purposes of the foregoing, “Rating” means, as of any date of determination, the rating as determined by either S&P or Moody’s of the Borrower’s senior unsecured non-credit enhanced long-term Indebtedness for borrowed money; provided that, if a Rating is issued by each of S&P and Moody’s, then the higher of such Ratings shall apply, unless there is a split in Ratings of more than one level, in which case the level that is one level lower than the higher Rating shall apply. The Ratings shall be determined from the most recent public announcement of any changes in the Ratings. If the rating system of S&P or Moody’s shall change, the Borrower and the Administrative Agent shall negotiate in good faith to amend this Agreement to reflect such changed rating system and, pending the effectiveness of such amendment, the Rating shall be determined by reference to the rating most recently in effect prior to such change.

“Type”, when used in reference to any Loan or Borrowing, refers to whether the rate of interest on such Loan, or on the Loans comprising such Borrowing, is determined by reference to the Eurodollar Adjusted Term SOFR Rate or the Alternate Base Rate.

“UK Financial Institution” means any BRRD Undertaking (as such term is defined under the PRA Rulebook (as amended from time to time) promulgated by the United Kingdom Prudential Regulation Authority) or any person falling within IFPRU 11.6 of the FCA Handbook (as amended from time to time) promulgated by the United Kingdom Financial Conduct Authority, which includes certain credit institutions and investment firms, and certain affiliates of such credit institutions or investment firms.

effect as if a right had been exercised under it or to suspend any obligation in respect of that liability or any of the powers under that Bail-In Legislation that are related to or ancillary to any of those powers.

SECTION 1.02. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Type (e.g., “Eurodollar Term Benchmark Loans”). Borrowings also may be classified and referred to by Type (e.g., “a Eurodollar Term Benchmark Borrowing”).

SECTION 1.03. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. SECTION 1.04. Interest Rates; LIBOR Benchmark Notification. ~~The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurodollar Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate.~~ interest rate on a Loan denominated in Dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event ~~or an Early Opt-In Election~~, Section 2.11(b) provides a mechanism for determining an alternative rate of interest. ~~The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.11, of any change to the reference rate upon which the interest rate on Eurodollar Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to the London interbank offered rate or other rates in the definition of “Eurodollar Rate”~~ any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof ~~(including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.11, whether upon the occurrence of a Benchmark Transition Event or an Early Opt-In Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.11),~~ including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the ~~Eurodollar existing interest~~ Rate being replaced or have the same volume or liquidity as did ~~the London interbank offered~~ any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 1.05. Divisions. For all purposes under this Agreement, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

## ARTICLE II

### THE CREDITS

#### SECTION 2.01. Commitments; Additional Commitments.

(a) Subject to the terms and conditions set forth herein, each Lender severally agrees to make loans (each, a "Loan") in Dollars to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in such Lender's Credit Exposure exceeding such Lender's Commitment. Within the foregoing limit and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Loans, except that no borrowing or reborrowing may occur after the Availability Period. The Loans shall in each case be ABR Loans or ~~Eurodollar~~ Term Benchmark Loans, as the Borrower shall request.

#### (b) Additional Commitments.

(i) The Borrower and any one or more Lenders (including New Lenders) may, with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), at any time after the Effective Date, agree that such Lenders shall obtain or increase the amount of their Commitments by executing and delivering to the Administrative Agent an Increased Facility Activation Notice specifying (a) the amount of such increase and (b) the applicable Increased Facility Closing Date. Notwithstanding the foregoing, without the consent of the Required Lenders (such consent not to be unreasonably withheld or delayed), (i) the aggregate amount of the Commitments may not be increased by an amount greater than \$500,000,000, (ii) each increase effected pursuant to this paragraph shall be in a minimum amount of at least \$5,000,000 and (iii) no more than eight Increased Facility Closing Dates may be selected by the Borrower during the term of this Agreement. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees in writing to do so in its sole discretion. The Administrative Agent shall promptly give notice to all Lenders of any such increase.

(ii) Any additional bank, financial institution or other entity which, with the consent of the Borrower and the Administrative Agent, elects to become a "Lender" under this Agreement in connection with any transaction described in Section 2.01(b)(i) shall execute a New Lender Supplement (each, a "New Lender Supplement"), substantially in the form of Exhibit B-2, whereupon such bank, financial institution or other entity (a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement (other than with respect to the payment of any fees or interest prior to the date such New Lender becomes a Lender).

(iii) On each Increased Facility Closing Date with respect to which there are Loans then outstanding, the New Lender(s) and/or the Lender(s) that have increased their Commitments shall make Loans, the proceeds of which will be used to prepay the Loans of other Lenders, so that, after giving effect thereto, the resulting Loans outstanding are allocated ratably among the Lenders in accordance with Section 2.02 based on their respective unused Commitments after giving effect to such Increased Facility Closing Date.

SECTION 2.02. Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their respective unused Commitments. Subject to Section 2.11, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Term Benchmark Loans as the Borrower may request in accordance herewith.

(b) The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that, other than any Commitment made by a Lender through a Conduit Lender as described in the definition thereof, which Commitment shall be the joint obligation of such Conduit Lender and its designating Lender, the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(c) Each Lender at its option may make any Eurodollar Term Benchmark Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(d) At the commencement of each Interest Period for any Eurodollar Term Benchmark Borrowing and at the time that each ABR Borrowing is made, as the case may be, such Borrowing shall be in an aggregate amount that is an integral multiple of \$2,500,000 and not less than \$10,000,000 for Eurodollar Term Benchmark Borrowings and ABR Borrowings; provided that each such Borrowing may be in an aggregate amount that is equal to the entire unused balance of the total Commitments.

(e) Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of ten Eurodollar Term Benchmark Borrowings made by the Borrower.

(f) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Final Maturity Date.

SECTION 2.03. Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurodollar Term Benchmark Borrowing, not later than 11:00 a.m., New York City time, three U.S. Government Securities Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype or email with PDF attachment to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) the aggregate amount and currency of the requested Borrowing;

(ii) the date of such Borrowing, which shall be a Business Day;

(iii) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Term Benchmark Borrowing;

(iv) in the case of a Eurodollar Term Benchmark Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.04.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested [Eurodollar Term Benchmark](#) Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

#### SECTION 2.04. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds in Dollars by 1:00 p.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent and designated by the Borrower in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed time of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with [paragraph \(a\)](#) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then (x) the Administrative Agent shall notify the Borrower of such inaction promptly following the Administrative Agent's discovery of such inaction and (y) the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate (or, in the case of [Eurodollar Term Benchmark](#) Loans, such other customary overnight rate as shall be specified by the Administrative Agent) or (ii) in the case of the Borrower, the interest rate applicable to such Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

#### SECTION 2.05. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a [Eurodollar Term Benchmark](#) Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. During the Availability Period, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a [Eurodollar Term Benchmark](#) Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under [Section 2.03](#) if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy or email with PDF attachment to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with [Section 2.02](#):

(i) the Borrower and the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the

portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

Day;

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a ~~Eurodollar~~ Term Benchmark Borrowing; and

(iv) if the resulting Borrowing is a ~~Eurodollar~~ Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

(d) If any such Interest Election Request requests a ~~Eurodollar~~ Term Benchmark Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a ~~Eurodollar~~ Term Benchmark Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing.

#### SECTION 2.06. Termination and Reduction of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the Final Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, any of the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$10,000,000 and not less than \$50,000,000, (ii) the Borrower shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.08, the total Credit Exposures would exceed the total Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce any of the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the closing of a capital markets transaction, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

#### SECTION 2.07. Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan on the Final Maturity Date in Dollars.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender to the Borrower, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans to it in accordance with the terms of this Agreement.

(e) Any Lender may reasonably request that Loans made by it to the Borrower be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

#### SECTION 2.08. Prepayment of Loans.

(a) Subject to prior notice in accordance with paragraph (b) of this Section, the Borrower may at its option, at any time, without premium or penalty of any kind (other than any payments required under Section 2.16), prepay, in whole or in part, any Borrowings in Dollars.

(b) The Borrower shall notify the Administrative Agent by telephone (confirmed by telecopy or email with PDF attachment) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Term Benchmark Borrowing, not later than 11:00 a.m., New York City time, on the date three Business Days prior to the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of Commitments as contemplated by Section 2.06, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.06. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.10.

#### SECTION 2.09. Fees.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee in Dollars, which shall accrue at a rate per annum equal to the Applicable Margin under the caption "Commitment Fee Rate" on the average daily unused amount of each Commitment of such Lender during the period from and including the date hereof to but excluding the date on which such Commitment terminates. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the date on which the Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 365 or 366 days, as the case may be, and shall be payable for the actual number of days elapsed (including the first Business Day but excluding the last day).

(b) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(c) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

#### SECTION 2.10. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each ~~Eurodollar~~ Term Benchmark Borrowing shall bear interest at a rate per annum equal to the ~~Eurodollar~~ Adjusted Term SOFR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section

(d) Accrued interest on each Loan shall be payable in Dollars in arrears on each Interest Payment Date for such Loan; provided that (i) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, (ii) in the event of any conversion of any ~~Eurodollar~~ Term Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion, and (iii) all accrued interest on a Loan shall be payable upon termination of the Commitments applicable to such Loan and upon the Final Maturity Date.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or ~~Eurodollar~~ Adjusted Term SOFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

#### SECTION 2.11. Alternate Rate of Interest.

~~(a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing:~~

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.11, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error), prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the ~~Eurodollar Rate~~ Adjusted Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; ~~provided that no Benchmark Transition Event shall have occurred at such time;~~ or

(ii) the Administrative Agent is advised by the Required Lenders that ~~the Eurodollar~~, prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the ~~Lender or~~ Lenders by telephone ~~or~~, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the

Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, ~~(i) and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.05 or a new Borrowing Request in accordance with the terms of Section 2.03,~~ any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Term Benchmark Borrowing shall be ineffective, and ~~(ii) if any Borrowing Request that requests a Eurodollar Borrowing, such Term Benchmark Borrowing shall be made as~~ instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for an ABR Borrowing; provided that, if the circumstances giving rise to such notice affect fewer than all only one Types of Borrowings, then ~~the all~~ other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.11(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.05 or a new Borrowing Request in accordance with the terms of Section 2.03, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, an ABR Loan on such day.

(b) Notwithstanding anything to the contrary herein, ~~upon the occurrence of~~ a Benchmark Transition Event ~~or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the Eurodollar Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such date notice of such Benchmark Replacement is~~ proposed to the Lenders without any amendment to ~~all Lenders and the Borrower, or further action or consent of any other party to, this Agreement~~ so long as the Administrative Agent has not received, by such time, written notice of objection to such ~~proposed amendment~~ Benchmark Replacement from Lenders comprising the Required Lenders; ~~provided that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of Eurodollar Rate with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.~~

(c) ~~In connection with the implementation of a Benchmark Replacement~~ Notwithstanding anything to the contrary herein, the Administrative Agent, in consultation with the Borrower, will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event ~~or an Early Opt-in Election, as applicable,~~ (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes ~~and,~~ (iv) ~~the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (y) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.11, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any~~

decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto to this Agreement, except, in each case, as expressly required pursuant to this Section 2.11.

(e) Notwithstanding anything to the contrary herein, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (i) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (ii) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (i) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (ii) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent shall modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

~~(e)~~ Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, ~~(i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.~~ the Borrower may revoke any request for a Term Benchmark Borrowing, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing into a request for a Borrowing of or conversion to an ABR Borrowing. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.11, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute an ABR Loan on such day.

SECTION 2.12. Increased Costs. In the event that by reason of any change after the date of this Agreement in applicable law or regulation or in the interpretation thereof by any Governmental Authority charged with the administration, application or interpretation thereof, or by reason of the adoption or enactment after the date of this Agreement of any requirement or directive (whether or not having the force of law) of any Governmental Authority (each a "Change Event"); provided that, notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, but only in the event that the applicable Change Event results in the applicable Lender being in a materially different adverse position than exists as of the Effective Date with respect to any of the items described in categories (a) and (b) below and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall be deemed to be a "Change in Law," regardless of the date enacted, adopted or issued (collectively, a "Change in Law"):

(a) any Lender shall, with respect to this Agreement, be subject to any Taxes (other than (i) any Indemnified Taxes or Other Taxes in respect of which additional amounts are payable (or would be so payable but for an exception under Section 2.13) pursuant to Section 2.13; or (ii) Excluded Taxes); or

(b) any reserve, capital adequacy, special deposit, liquidity or similar requirements of law should be imposed on either the commitments to lend or the foreign claims of deposits of any Lender;

and if any of the above-mentioned measures shall result in a material increase in the cost to such Lender of making or maintaining its Loans or Commitments or a material reduction in the amount of principal or interest received or receivable by such Lender in respect thereof, then upon prompt written notification (which shall include the date of effectiveness of such change, adoption or enactment) and demand being made by such Lender for such additional cost or reduction, the Borrower shall pay to such Lender, within 30 days of such demand being made by such Lender, such additional cost or reduction; provided, however, that the Borrower shall not be responsible for any such cost or reduction that may accrue to such Lender with respect to the period between the occurrence of the event which gave rise to such cost or reduction and the date on which notification is given by such Lender to the Borrower; and provided, further, that the Borrower shall not be obligated to pay such Lender any such additional cost or reduction unless such Lender certifies to the Borrower that at such time such Lender shall be generally assessing such amounts on a non-discriminatory basis against borrowers under agreements having provisions similar to this Section; and provided, further, that any such additional cost or reduction allocated to any Loan or Commitment shall not exceed the Borrower's pro rata share of all costs attributable to all loans or advances or commitments to all borrowers by such Lender that collectively result in the consequences for which such Lender is to be compensated by the Borrower. Within 30 days of receipt of such notification, the Borrower will pay such additional costs as may be applicable to the period subsequent to notification or prepay in full all Loans to it outstanding under this Agreement so affected by such additional costs, together with interest and fees accrued thereon to the date of prepayment in full. Such Lender shall use reasonable efforts (consistent with its internal policy applied on a non-discriminatory basis and legal and regulatory restrictions) to designate a different applicable lending office for the Loans made by it and its Commitments or to take other appropriate actions if such designation or actions, as the case may be, will avoid the need for, or reduce the amount of, any increased costs to the Borrower incurred under this Section, and will not, in the opinion of such Lender, be otherwise disadvantageous to such Lender.

#### SECTION 2.13. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower hereunder shall be made free and clear of and without deduction or withholding for any Taxes, except as required by law; provided that if the applicable Withholding Agent shall be required to deduct or withhold any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions or withholdings applicable to additional sums payable under this Section) the Administrative Agent or Lender (as the case may be) receives from the Borrower an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholdings and (iii) the applicable Withholding Agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. For the avoidance of doubt, a Tax imposed by reason of or pursuant to FATCA is a Tax required by law to be deducted or withheld.

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent or such Lender, as the case may be (other than any penalties, interest and expenses resulting from any bad faith, gross negligence or willful misconduct of the Administrative Agent or such Lender), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments under this Agreement shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable law or reasonably requested by the Borrower and the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Without limiting the generality of the foregoing, (i) each Lender (or Assignee or Participant) that is a “United States person” as defined in Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two copies of IRS Form W-9 certifying that such Lender (or Assignee or Participant) is exempt from U.S. federal backup withholding tax, (ii) each Lender (or Assignee or Participant) that is not a “United States person” as defined in Section 7701(a)(30) of the Code (a “Non-U.S. Lender”) shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two copies of IRS Form W-8BEN or W-8BEN-E, Form W-8ECI or Form W-8IMY (together with any applicable underlying IRS forms), and, in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, a certificate substantially in the form of Exhibit C-1, C-2, C-3 or C-4, as applicable, or any subsequent versions thereof or successors thereto, properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. federal withholding tax on payments under this Agreement, and (iii) if a payment made to a Lender under this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable documentation or reporting requirements of FATCA (including those required pursuant to Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment (and, solely for purposes of this Section 2.13(e)(iii), “FATCA” shall include any amendments made to FATCA after the date of this Agreement). Such forms and documentation shall be delivered by each Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and from time to time thereafter upon the request of the Borrower or the Administrative Agent. In addition, each Lender shall deliver such forms and documentation promptly upon the expiration, obsolescence or invalidity of any form or documentation previously delivered by such Lender. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). Notwithstanding any other provision of this Section, a Lender shall not be required to deliver any form and documentation pursuant to this Section that such Lender is not legally able to deliver.

(f) Any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) The Administrative Agent and each Lender shall use reasonable efforts (consistent with its internal policy applied on a non-discriminatory basis and legal and regulatory restrictions) to designate a different applicable lending office for the Loans made by it and its Commitments or to take other appropriate actions if such designation or actions, as the case may be, will avoid the need for, or reduce the amount of, any payments the Borrower is required to make under this [Section 2.13](#), and will not, in the opinion of the Administrative Agent or such Lender, be otherwise disadvantageous to the Administrative Agent or such Lender.

(h) Each Lender shall severally indemnify the Administrative Agent within 10 days after written demand therefor, for the full amount of any Taxes attributable to such Lender that are payable or paid by the Administrative Agent, and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

(i) With respect to payments made by the Borrower to the Administrative Agent for the benefit, or on account of any Lender (or Participant), (i) each Administrative Agent that is a “United States person” as defined in Section 7701(a)(30) of the Code will provide an IRS Form W-9, and (ii) each Administrative Agent that is not a “United States person” as defined in Section 7701(a)(30) of the Code will provide an IRS Form W-8ECI with respect to any amounts payable to the Administrative Agent for its own account and an IRS Form W-8IMY (a) certifying its status as a qualified intermediary, (b) assuming primary withholding responsibility for purposes of chapters 3 and 4 of the Code, and (c) either (1) assuming primary IRS Form 1099 reporting and backup withholding responsibility or (2) assuming reporting responsibility as a participating FFI or registered deemed-compliant FFI with respect to accounts that it maintains and that are held by specified U.S. persons as permitted under Treasury Regulations Section 1.6049-4(c)(4)(i) or (c)(4)(ii) in lieu of IRS Form 1099 reporting. No Administrative Agent shall be permitted to make the election described in Section 1471(b)(3) of the Code.

(j) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this [Section 2.13](#) (including by the payment of additional amounts pursuant to this [Section 2.13](#)), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this [Section 2.13](#) with respect to Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this [Section 2.13\(j\)](#) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority, other than any penalties, interest or other charges resulting from any bad faith, negligence or willful misconduct of such indemnified party) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (j), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (j) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

#### SECTION 2.14. [Payments Generally.](#)

(a) Unless otherwise specified herein, the Borrower shall make each payment required to be made by it hereunder (including under [Section 2.12](#), [2.13](#), [2.16](#), or otherwise) prior to 1:00 p.m., New York City time, on the date when due. All such payments shall be made in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 270 Park Avenue, New York, New York or at such other office as directed by the Administrative Agent, except that payments pursuant to [Sections 2.12](#), [2.13](#), [2.16](#) and [9.03](#)

shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute in like funds any such payments received by for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in the currency in which the applicable payment obligation is due.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans hereunder resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments made shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment from the Borrower is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(b) or 2.14(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

**SECTION 2.15. Replacement of Lenders.** If any Lender requests compensation, or is entitled to payments, under Section 2.12 or Section 2.13 or is affected in the manner described in Section 2.17, or if any Lender is a Defaulting Lender or a Declining Lender, then the Borrower may, at its sole expense and effort (in the case of a claim for compensation under, or payments pursuant to, Section 2.12 or Section 2.13, in the case of illegality under Section 2.17 or in the case of a Declining Lender under Section 2.18) or at the expense and effort of any such Defaulting Lender, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender,

if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under, or payments pursuant to, [Section 2.12](#) or [Section 2.13](#) or from illegality under [Section 2.17](#), such assignment will result in a reduction in such compensation or payments or eliminate the illegality, as the case may be. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any [EurodollarTerm Benchmark](#) Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any [EurodollarTerm Benchmark](#) Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice is permitted to be revocable under [Section 2.08\(b\)](#) and is revoked in accordance herewith), or (d) the assignment of any [EurodollarTerm Benchmark](#) Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to [Section 2.15](#), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a [EurodollarTerm Benchmark](#) Loan, the loss to any Lender attributable to any such event shall be deemed to include an amount reasonably determined by such Lender to be equal to the excess, if any, of (i) the amount of interest that such Lender would pay for a deposit equal to the principal amount of such Loan for the period from the date of such payment, conversion, failure or assignment to the last day of the then current Interest Period for such Loan (or, in the case of a failure to borrow, convert or continue, the duration of the Interest Period that would have resulted from such borrowing, conversion or continuation) if the interest rate payable on such deposit were equal to the [EurodollarAdjusted Term SOFR](#) Rate for such Interest Period, over (ii) the amount of interest (as reasonably determined by such Lender) that such Lender would earn on such principal amount for such period if such Lender were to invest such principal amount for such period at the interest rate that would be bid by such Lender (or an affiliate of such Lender) for deposits in the relevant currency from other banks in the eurocurrency market at the commencement of such period. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt thereof.

SECTION 2.17. Illegality. Notwithstanding any other provision herein, if the adoption of or any change in applicable law or regulation or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain [EurodollarTerm Benchmark](#) Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make [EurodollarTerm Benchmark](#) Loans, continue [EurodollarTerm Benchmark](#) Loans as such and convert ABR Loans into [EurodollarTerm Benchmark](#) Loans shall forthwith be canceled and (b) such Lender's Loans then outstanding as [EurodollarTerm Benchmark](#) Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion or repayment of a [EurodollarTerm Benchmark](#) Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to [Section 2.16](#). If circumstances subsequently change so that any affected Lender shall determine that it is no longer so affected, such Lender will promptly notify the Borrower and the Administrative Agent, and upon receipt of such notice, the obligations of such Lender to make or continue [EurodollarTerm Benchmark](#) Loans or to convert ABR Loans into [EurodollarTerm Benchmark](#) Loans shall be reinstated.

SECTION 2.18. Extension Option.

(a) The Borrower may request that the Commitments be extended for up to two additional one year periods after any then existing Final Maturity Date by providing not less than 30 days' written notice (the date of such notice, a "Notice Date") to the Administrative Agent prior to any then

existing Final Maturity Date. If a Lender agrees, in its individual and sole discretion, to extend its Commitment (such Lender, an “Extending Bank”), it will notify the Administrative Agent, in writing, of its decision to do so no later than 20 days after the applicable Notice Date. The Administrative Agent will notify the Borrower, in writing, of the Lenders’ decisions no later than 25 days after such Notice Date.

(b) No Lender shall be required to consent to any such extension request or be required to increase its Commitment and any Lender that declines or does not respond to the Borrower’s request for an extension of the Commitments (a “Declining Lender”) will have its Commitment assigned to one or more Additional Commitment Banks (as defined below) in accordance with Section 2.15 or, if not so assigned, terminated on the then existing Final Maturity Date (without regard to any extension of the Commitments of other Lenders).

(c) On or before any then existing Final Maturity Date in respect of which a notice pursuant to Section 2.18(a) is given, each Extending Bank shall have the right to undertake an additional Commitment to replace any Declining Bank as an assignee thereof in accordance with Section 2.15 and, if the aggregate of all such additional Commitments of Extending Banks is less than the aggregate amount of the Commitments of the Declining Banks, the Borrower shall have the right to replace each Declining Bank with, and add as “Lenders” under this Agreement in place thereof, one or more Persons that would constitute an eligible assignee pursuant to Section 9.04(b) (each, together with any such Extending Bank to the extent of such Extending Bank’s additional Commitment, an “Additional Commitment Bank”), all as provided in Section 2.15, each of which Additional Commitment Banks shall have entered into an Assignment and Assumption pursuant to which such Additional Commitment Bank shall, effective as of the then existing Final Maturity Date, undertake a Commitment (and, if any such Additional Commitment Bank is already a Lender, its such Commitment shall be in addition to any other Commitment of such Lender hereunder on such date); provided that the Extending Banks will have the right to undertake additional Commitments in an aggregate amount up to the aggregate amount of the Commitments of the Declining Banks before the Borrower will have the right to replace any Declining Bank with any Eligible Assignee that is not already a Lender (it being understood that the Administrative Agent, in consultation with the Borrower, will be able to allocate the aggregate amount of the Commitments of the Declining Banks among each such Extending Bank in an amount not to exceed the additional Commitment that such Extending Bank agreed to undertake).

(d) If the Commitments of the Extending Banks and the Additional Commitment Banks aggregate 50% or less of the aggregate Commitments of all Lenders as of immediately prior to such then existing Final Maturity Date, none of the Commitments (including the Commitment of any Extending Bank) will be extended and the Final Maturity Date for each Lender shall remain unchanged.

(e) If (1) the Commitments of the Extending Banks and the Additional Commitment Banks aggregate greater than 50% of the aggregate Commitments of all Lenders as of immediately prior to such then existing Final Maturity Date and (2) and on such then existing Final Maturity Date, the applicable conditions set forth in Section 4.03 shall be satisfied, then, effective as of such then existing Final Maturity Date, (i) the Final Maturity Date for each Bank that is an Extending Bank or an Additional Commitment Bank shall automatically become the date that is one year following such then existing Final Maturity Date as in effect immediately prior to such extension, (ii) the Final Maturity Date for each Lender that is a Declining Bank shall remain unchanged, (iii) each Additional Commitment Bank that is not already a Lender shall thereupon become a “Lender” for all purposes of this Agreement with a Commitment, and each Additional Commitment Bank that is already a Lender shall thereupon have an additional Commitment, in each case as contemplated by Section 2.18(c) above, and (iv) the aggregate amount of the Commitments shall equal the aggregate of the Commitments of the Extending Banks and the Additional Commitment Banks at such time, provided such amount will not exceed the aggregate amount of the Commitments in effect immediately prior to such then existing Final Maturity Date unless otherwise permitted by Section 2.01(b).

**ARTICLE III**  
**REPRESENTATIONS OF BORROWER**

The Borrower represents for and as to itself as follows:

(a) The Borrower has been duly organized and is validly existing and, if applicable, in good standing under the laws of the jurisdiction of its organization, and the Borrower has all requisite power and authority to conduct its business, to own its properties and to execute, deliver and perform its obligations under this Agreement.

(b) The execution, delivery and performance by the Borrower of this Agreement has been duly authorized by all necessary limited liability company action and does not and will not violate any provision of any law or regulation, or contractual or limited liability company restrictions, in each case, binding on the Borrower and material to the Borrower and its subsidiaries, taken as a whole.

(c) This Agreement constitutes a legal, valid and binding obligation of the Borrower, enforceable in accordance with its terms, subject however to (i) the exercise of judicial discretion in accordance with general principles of equity and (ii) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted.

(d) The proceeds of the Loans made to the Borrower shall not be used for a purpose which violates Regulation T, Regulation U or Regulation X.

(e) As of the date hereof, no litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened by or against any Subsidiary or against any of their respective properties or revenues (i) with respect to this Agreement or any of the transactions contemplated hereby or (ii) that could reasonably be expected to have a Material Adverse Effect.

(f) The Borrower maintains in effect policies and procedures designed to implement compliance in all material respects by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions. SECTION 5.02. Preservation of Existence. SECTION 5.03. Taxes. Pay and discharge, and cause each of its Subsidiaries to pay and discharge, in the ordinary course of business consistent with past practice, (i) all taxes, assessments, charges and like levies levied or imposed upon it or upon its income, profits or property and (ii) all lawful claims that, if unpaid, might by law become a Lien upon its property; provided that in no event shall either the Borrower or any Subsidiary be required to pay and discharge any such tax, assessment, charge, levy or claim if (A) the failure to do so (in the aggregate for all such failures) could not reasonably be expected to have a Material Adverse Effect or (B) the same is being contested in good faith and by appropriate proceedings and reserves, if required by GAAP, have been established in conformity with GAAP.

### THE ADMINISTRATIVE AGENT

Each of the Lenders hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof, together with such actions and powers as are reasonably incidental thereto.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing by the Required Lenders, and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be

liable for the failure to disclose, any information relating to the Borrower or any of its subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders or all the Lenders, as the case may be, or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement, (ii) the contents of any certificate, report or other document delivered hereunder or in connection herewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult its legal counsel, independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the written consent of the Borrower (so long as no Event of Default exists), to appoint a successor. If no successor shall have been so appointed by the Required Lenders with any requisite consent of the Borrower and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York that has a combined capital and surplus of at least \$500,000,000, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder.

Anything herein to the contrary notwithstanding, the Lead Arrangers, the Syndication Agents and the Documentation Agents shall not, in such capacities, have any powers, duties or responsibilities under this Agreement.

Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

SECTION 9.02. Waivers; Amendments. Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, or (iv) change any of the provisions of this Section, Section 2.14(c), or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender; provided, further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent. If the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement if the same is not objected to in writing by the Required Lenders within five Business Days of receipt of notice thereof.

SECTION 9.03. Expenses; Indemnity.

(a) The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Lead Arrangers, the Administrative Agent and their respective Affiliates (limited, in the case of legal fees,

to the reasonable fees, charges and disbursements of a single counsel for the Lead Arrangers and the Administrative Agent) in connection with the preparation and administration of this Agreement and any amendments, modifications or waivers of the provisions hereof and (ii) all reasonable out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the reasonable fees, charges and disbursements of any counsel for the Administrative Agent or any Lender, in connection with the enforcement or protection of its rights in connection with this Agreement.

(b) The Borrower shall indemnify the Lead Arrangers, the Syndication Agents, the Documentation Agents, the Administrative Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or the performance by the parties hereto of their respective obligations hereunder, (ii) any Loan or the use of the proceeds therefrom or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence or willful misconduct of such Indemnitee, in each case, as determined by a final, non-appealable judgment of a court of competent jurisdiction. It is understood and agreed that, to the extent not precluded by a conflict of interest, each Indemnitee shall endeavor to work cooperatively with the Borrower with a view toward minimizing the legal and other expenses associated with any defense and any potential settlement or judgment. To the extent reasonably practicable and not disadvantageous to any Indemnitee, it is anticipated that a single counsel selected by the Borrower may be used. Settlement of any claim or litigation involving any material indemnified amount will require the approvals of the Borrower (not to be unreasonably withheld or delayed) and the relevant Indemnitee (not to be unreasonably withheld or delayed).

#### SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, the Lead Arrangers, the Syndication Agents, the Documentation Agents and, to the extent expressly contemplated hereby, the Related Parties of each of the Lead Arrangers, the Syndication Agents, the Documentation Agents, the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender other than any Conduit Lender may assign to one or more assignees (other than a natural person or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that (i) each of the Administrative Agent and, except in the case of an assignment to a Lender or an Affiliate of a Lender or during the continuation of any Event of Default arising under Sections 8(a), (b), (d), (e) or (f), the Borrower must give its prior written consent to such assignment (such consents not to be unreasonably withheld) (it being understood that it shall be reasonable for the Borrower to withhold consent if the assignee has (x) short-term debt ratings below P-1 from Moody’s or has ratings at such level but is on credit watch with negative implications or (y) long-term debt ratings below BBB from S&P and below Baa2 from Moody’s or has ratings at such levels but is on credit watch with negative implications from each of S&P and Moody’s), (ii) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of an entire remaining amount of the assigning Lender’s Commitment, the amount of the Commitment of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consents, (iii) each partial assignment of a Lender’s rights and

obligations shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations, (iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 payable by the assignor or the assignee, (v) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and (vi) the assignee, if applicable, shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to the Borrower and the Administrative Agent the documentation described in Section 2.13(e); provided, further that any consent of the Borrower otherwise required under this paragraph shall not be required if an Event of Default has occurred and is continuing. Upon acceptance and recording pursuant to paragraph (d) of this Section, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.13, 2.16, and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (e) of this Section. Notwithstanding the foregoing, any Conduit Lender may assign at any time to its designating Lender hereunder without the consent of the Borrower or the Administrative Agent any or all of the Loans it may have funded hereunder and pursuant to its designation agreement and without regard to the limitations set forth in the first sentence of this Section 9.04(b).

(c) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in The City of New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Any Lender other than any Conduit Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02 that affects such Participant. Subject to paragraph (f) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.16 to the same extent and subject to the same conditions as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section at the time of the participation. Each Lender that

sells a participation, acting solely for tax purposes as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant in the Loans or other obligations under this Agreement (the "Participant Register"); provided that, except as set forth in the penultimate sentence of this Section 9.04(e), no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans or its other obligations hereunder) to any Person except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender, each Loan Party and the Administrative Agent shall treat such person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary. In consideration of this Section 9.04(e), the Participant Register shall be available for inspection by the Borrower upon reasonable request and prior notice, provided that the Borrower in good faith determines it is necessary or appropriate to access the Participant Register in order to establish that the Loans and other obligations are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The Borrower shall keep any information obtained from the Participant Register confidential, except to the extent that a taxing authority requires disclosure for the sole purpose of establishing that the Loans and other obligations are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(f) A Participant shall not be entitled to receive any greater payment under Section 2.12, or 2.13 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.13 unless the Borrower is notified of the Participation sold to such Participant and such Participant complies with Section 2.13 as though it were a Lender.

(g) Any Lender other than any Conduit Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that (i) no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto, and (ii) no such pledge or assignment may be made by any Lender to a natural person.

(h) The Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(i) The Loans (including the notes evidencing such Loans) are registered obligations, and the right, title, and interest of the Lenders and their assignees in and to such Loans shall be transferable only upon notation of such transfer in the Register. A note shall only evidence the Lender's or an assignee's right, title and interest in and to the related Loan, and in no event is any such note to be considered a bearer instrument or obligation not in "registered form" within the meaning of Section 163(f) of the Code. This Section 9.04 shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related regulations (or any successor provisions of the Code or such regulations). For purposes of Treasury Regulation Section 5f.103-1(c) only, the Administrative Agent shall act as the Borrower's agent for purposes of maintaining such notations of transfer in the Register and each applicable Lender shall act as the Borrower's agent for purposes of maintaining notations in the Participant Register. Nothing in this Section 9.04 is intended to alter the U.S. federal income tax withholding and reporting obligations that would exist between any Administrative Agent and any Lender

or between any Lender and any Participant in the absence of this Section 9.04 pursuant to Section 2.13(i) or as otherwise required by Law.

SECTION 9.05. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Lead Arrangers and the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or email with PDF attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.06. Governing Law; Jurisdiction.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION 9.07. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.08. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or any credit insurance provider, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations hereunder, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to

maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

SECTION 9.10. USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Act. The Borrower shall promptly provide such information upon request by any Lender.

SECTION 9.11. No Fiduciary Duty. The Administrative Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of the Borrower, their stockholders and/or their affiliates. The Borrower agrees that nothing in this Agreement and any related documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower, its stockholders or its affiliates, on the other. The Borrower acknowledges and agrees that (i) the transactions contemplated by this Agreement and any related documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Borrower, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower, its stockholders or its Affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in this Agreement and any related documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, stockholders, creditors or any other Person. The Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto.

SECTION 9.12. Acknowledgement and Consent to Bail-In of EEA Affected Financial Institutions.

Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Affected Financial Institution arising under this Agreement may be subject to the ~~write-down~~ Write-Down and ~~c~~Conversion ~~p~~Powers of an EEA the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such ~~EEA~~Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of ~~any EEA~~the applicable Resolution Authority.

#### SECTION 9.13. Acknowledgement Regarding Supported QFCs.

To the extent that this Agreement provides support, through a guarantee or otherwise, for swap agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that this Agreement and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and this Agreement were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
